Chapter 1 - The end of the end **2**

1 - The end of the end

I am a wounded stranger
my freinds have left me here
my faded spirit dieing
my screams they can not hear
am I afraid?
of course I'm not
I'm truly terrified
my bleeding heart is breaking
wish I could dissapear
I feel you as you hold me
no hope is left inside
just leave and go forever
just leave me here to die
I cannot find the sunlight
the darkness only remains
the saddest part about it
no one even knows my name
