Naruto and Sasuke's Day at King's Island

Intro

Hmmm, how to start. I guess you could say that it all began when we were traveling in a car to a mission. We went through a strangely small forest and it seemed like we were somewhere else. Naruto was bugging me about it. >(We got out of the car and we went up to this strange looking place. The sign said that it was some place called King's Island. I looked over at Naruto again and rolled my eyes. (he was freaking out again.) I guess it was a good thing we had our normal people clothes on cause everyone was dressed like normal people. (okay, that's enough of Sasuke's intro. We will do something different.)

Sasuke: Naruto, what is this place?

Naruto: It's a roller coaster park, Sasuke.

Sasuke: What's a roller coaster park?

Naruto: You don't know what a roller coaster park is? *in shock*

Sasuke: No, should I?

Naruto: C'mon, Sasuke, let's go. I will show you the glorious thing that is the most amazing roller coaster park of all time, King's Island.

Sasuke: *hears screaming* Ah! Fangirls! *ducks down in a fetal position*

Naruto: No, Sasuke, they're just screaming from the roller coasters.

Sasuke: Um, why are they screaming at the roller coasters.

Naruto: *grabs Sasuke's hand* You'll see. *grins evilly*

Chapter 1 Top Gun/ Flight Deck

Naruto: This link is taking forever!

Sasuke: Shut up, idiot. I'm sure whatever it is won't even be worth the wait anyway.

Naruto: What are you saying?! This is Top Gun. It's one of the awesome roller coasters at King's Island.

Sasuke: Whatever...

they finally get up and get in the ride and someone puts down the harness thingy

Sasuke: What are they doing?!

Naruto: They have to strap you down or you'll fall off the ride.

Sasuke: Whatever. This thing is probably going to be boring anyway.

Naruto: Sasuke, you don't know what you're talking about!

Sasuke: Whatever.

Naruto: Here we go! Dattebayo! Believe it!

Sasuke: Ah, would you please shut up!...So, why were they screaming again? *while they are going up the first hill*

Naruto: Well, you'll see when we get to the top of the hill.

Sasuke: What? Are these supposed to be scary.

Naruto: Not exactly

Sasuke: What do you mean, not exact... *they go down the first hill* Ahhhhhhhhhhhhh! *screaming like a girl*

Naruto: DATTEBAYOOOOOOOOOOOO!

Sasuke: WHATEVEEEEEER!

at the end of the ride

Sasuke: That wasn't very exciting.

Naruto: C'mon Sasuke, even you can't say that you didn't have fun on that.

Sasuke:...Alright, I admit it! That was awesome! It was amazing! *looks up* Ahhhhhh! My hair!

Naruto: You're hair will be find Sasuke.

Sasuke: Whatever. So, like I was saying. That was so great! I have endorphins!

Naruto: Huh, what's endorphins?

Sasuke: It's the only healthy way to get high. It's like your body's natural high.

Naruto: Oh, that's weird.

Sasuke: No it's not.

Naruto: Yes it is.

Sasuke: Whatever.

Naruto: C'mon Sasuke, I already know what we're goanna ride next. *grabs his hand*

Sasuke: Would you get off of me and quit doing that?!

Naruto: *jumps back* Okay...

To be continued...
