1 - How it all started~~

Sakura Haruno was in no way normal. Why you might ask,so i`ll tell ya. For starters, she has pale pink hair and magnificent green eyes, Yes, the pink hair is natural. Any way at 14 she`s starting a new school,Konoha High,a school for advanced intelligence.

-Sakura`s POV-

Argh! I can`t believe I have to go to this new school! I hit 1 perv and I get expelled! It`s not fair. I pouted like a stubborn child. Which i kinda am. As I stumbled out of bed I noticed something. It was a note from my aunt Tsunade. It said: "Hello dear, guess what! Your going to a boarding school were i`m the principal. I know your still sad about your parents, but lighten up, kay hun? love Aunt Tsunade~"

Wow..... seeing my aunt since last year, this is going to be interesting, oh wait she said something else! "P.S, your going to be the first girl here!! Bye, bye~.".....Oh my god!!!!!!!

-No ones POV-

Sakura`s skin paled as she read the letter over and over again. "Oh my god , oh my god, oh my mother flipping god!!!!" She repeated. "Well I guess I`m going to have to deal with this" She said as she sighed. She started packing against her will. "I hope I can survive this school." After packing she fell asleep, thinking about the new school and what unusual things await her.
