1 - Throught The Darkness...

The mountains stand tall,
Looming over the surrounding desert.
As if concealing the secret of the land.
Their cascading cliffs serve as a warning,
For all who try to conquer, you will fail.
The darkness hiding their many caves and crevices,
Leaving only a black silloette against the deep blue sky.
The stars aren't seen, just black against blue.
The desolate bases of the mountains seem to blend with the lightless ground,
Creating a void of emptyness, in which no light, no person can escape.
