Chapter 1 - Perfect...

2

1 - Perfect...

There he is.

There she is.

They sit together, perfectly happy.

Her, twirling her perfect hair around her perfect little finger.

Him, seemingly dazzled by it.

They're perfect.

Her perfect golden hair gleaming in the perfect sunlight perfectly.

His perfect ocean blue eyes glisten with her glow.

They're perfect.

Of course they belong together, they're perfect for each other.

Right?

But why wasn't it me?

Why aren't I perfect for him?

Could I be?

I guess not.

My auburn hair shines, but not as perfect as hers.

My brown eyes don't sparkle as her perfect green eyes do.

And yes she's perfect.

He's perfect.

They just seem to fit together, they belong together.

I wish I were perfect too...
