Chapter 1 - Everyones a Monster

2

1 - Everyone's a Monster

Everyone's a monster

Bulgy eyed and scary

Laughing and yelling at me with their mouths cruel and sick

Biting me like a tick

Leaning towards me ready to attack

Everyone's a monster

Everyone's a baby

Going thru their pointless life

Screaming like I've got a knife pointed in their face

Try to put them in their place they just pout and cry

They don't know the reason why

Everyone's a baby

Everyone's a child

Always asking why

Making up stories

Wanting pie and ice-cream

Things that they don't believe that's in their dreams pop-out at them silently

Everyone's a child

Everyone's an Animal

Eating off the floor

Their in the zoo and they don't want to be there anymore

They have feelings

They have dreams

But no one understands

What makes them dirty is what makes them weak and helpless

They don't have what makes them special

Everyone's an animal

Everyone is crazy

Even I am crazy

What else is there to say?
