You were in your prime,
A valuable asset,
to the team.

Whose role was of such great import,
that life could not function,
without you.

But,
you are needed not anymore,
you've lost your luster,
your vigor,
you cannot keep life functioning.

And so,
you are discarded,
like countless others,
to spend the end of your days,
in the dirt,
forgotten,
easily replaced,
with a lookalike.
