1 - Temple Afflicted

Temple Afflicted

You came to me in gradual steps
Working your way up the level
I must say you caught me,
Though by great surprise and severity

How I wish you'd go away
Why can't I get rid of you?

Horrific images stare at me from the glass
I want to shatter you but it's me
It's fighting everything I give
So time to rest in painful dreams

This is my normality
This is how you see me
I don't want it here anymore
I want things as they were before

Kill the infestation
