*Well, this was a poem i wrote for a friend of mine when i was really mad at her. So in other words, this is a hate poem, but i like it anyway. Its a bit harsh though, i wrote this two years ago, and to me now it seems pretty awful.*

**Chapter 1 - You Think Its Funny**

**2**

# 1 - You Think Its Funny

You think its funny,

But its no joke.

You made me cry,  
you made me choke.

All I wanted was a friend,  
Some truth and honesty  
but all you brought was pain,  
Deceptions, lies, and enemies.

I cared for you,

You worried me sick,  
I cried for you,  
Yet all you did was grin.

You said you wanted to be my friend,  
you said you wanted to know me.  
But you stabbed me in the back,  
you tried to control me.

You're not worth this pain,

You're not worth crying,

You're not worth anything,

So just keep on lying.

So this is goodbye,

This is fare well,

This is thanks for nothing,

Hope you burn in hell.

So sorry to be harsh,

But words can't hurt you, right?

Tough luck,

Life's rough,

And you deserve my smite.
