1 - CHAPTER ONE

Notes from EC: Hello possible reader of this fic! I am the all powerful EC! *lightening blasts in background* For all people who have never read this fic, and have taken time out of their hectic lives to read a pointless crappy story written by some one you don't know, I say thank you. Enjoy.

P.S Don't be fooled by how crappy the first couple of chapters may seem. It actually gets better as it goes along.

~*~*~*~*~*~************ Sonic: See? - hic - I told you - hic - Your having fun with us. - hic -Knuckles: I'm not having fun Sonic. I'm just drunk. Sonic: *Smiles* Same thing isn't it? Alana: Knuckles, your hands are so sharp. I mean look at 'um. They're huge! Knuckles: Shove it, Alana! Amy: *Giggles* Hi Sonic.

Knuckles: *Angry* Shove it both of you!

Tails: I agree with Alana, Knuckles. Your hands are huge!

2 - chapter 2

Notes from EC: Okay...for everyone who has decided that the second chapter of my fic was worth looking at...there's something wrong with you. Just joking. The first couple of chapters are receallly short. But they're longer (not to mention better) in the later chapters. So...enjoy. Tails: Hey Alana! I found your slingshot! Alana: *Snatches slingshot from Tails* Give me that you slingshot thief! Knuckles: Go away Alana. Alana: *pretends she's about to shoot Knux with slingshot* Knuckles: You wouldn't. Alana: I would.

Alana: Like you would.

Knuckles: don't make me come over there.

Tails: shut up, both of you.
*Sonic runs back in room with lip prints all over his face *
Sonic: It was an assault I tell you!
Alana: looks more like a make out session to me!
Sonic: Shut up Alana.
Alana- why does everyone keep saying that?
Knuckles has left room do to lack of interest
silence.
~*~*~*~*~*~*~*~*~*~*~*~**

3 - Chapter 3

Alana: *Has become bored with her slingshot and is now playing with an old soda can* I say that we vote Sonic off. Just like on Survivor.
Sonic: *stares at Alana; annoyed.*
Alana: What the heck are you staring at? * Throws soda can at Sonic, leaving a scar on his forehead*
Tails: would you two stop it, I'm trying to sleep!
Alana: No you're not. *Throws neglected slingshot at Tails.* You're both lucky that I'm too drunk to knock some sense into you. I should get Knuckles to do it for me.
Sonic: Knuckles isn't here anymore.
Alana: *Waves finger at him* Don't bore me with your crappy excuses - hic - *passes out*
Amy comes back into room dragging Knuckles behind her
Knuckles: What happened to her? *Points at Alana*

EC: Alright. *ends chapter with her awesome authoress ability*

~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~

4 - Just dumb

Sonic: *stares at Alana*
Alana: *stares at Sonic*
Sonic: O_O
Alana: O_O
Sonic: *blinks rapidly and rubs forehead* ARRGH!
Alana: *triumphantly* HA! I win little blue dude!
Sonic: all I want to know is how Tails convinced us to have a staring contest instead of beating the living crap out of each other!
Alana: Tails could probably convince Knuckles the Master Emerald is made of plastic if he set his mind to it!
Knuckles: THE MASTER EMERALD IS PLASTIC?!?!
Alana: yes

Knuckles: x_x
Tails: Does anyone know why where having this conversation? I sure don't.
Everyone: *shrugs*
Knuckles: you mean I've been down here talking to you idiots for no reason?!
Amy: when you say idiots do you mean Alana?
Knuckles: YES!
Amy: Oh. In that case yes.
Alana: yeah. Why the heck are you wasting your time talking to me? Hey wait a minute!
Tails: *singing*
Everyone:
Tails: *singing*
Everyone:

....OK. I'm gonna end this chapter now.

~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~

5 - Random crap...

Notes from EC: Dear, God this has to be one of the shortest crappiest chapters yet. Umenjoy anyway.
~*
Silence
Amy: *dreamy look*
Knuckles: *Angry look*
Sonic: *Drunk look*
Tails: *one big smile look*
Alana: *I've gone off to my own little world and I ain't comin' back till you give me something I want look*
Knuckles: Man, nothing interesting ever happens around here!
Police come and arrest Alana for she is a danger to society
Sonic: It's about time.

Tails: *thinking* I wonder what it would be like if I were to kill Amy?
Knuckles: *ticked off* Shut-up Sonic.
Sonic: I didn't say anything.
Knuckles: you want me to come over there?
Sonic: not especially.
Knuckles: good
~*~*~*~*~*~*~*~*~*~*~*~*

6 - So much YELLING!!

Alana: Okay. I'm back. It's a good thing I always carry this brick around with me!
Sonic: aw crud. Couldn't you find someone else to annoy?
Alana: What's that supposed to mean?
Sonic: It means you're loud, annoying-
Alana: *Beating the crap out of Sonic*
Tails: This got old two chapters ago! EC make them cut it out!
EC: Hey, show offy hedgehog and crazy kitten! Take it outside!
Alana: Come make us!
EC: How dare you talk to me like that?!?! I created you!
Knuckles: Yeah you ungrateful witch! *hits Alana*

Alana: x_x

Amy: I think-
Knuckles: *does same to Amy*
Amy: X_X
Everyone: YAY!
Me: yo! I don't care about Amy but quit knocking my fan characters out!
Tails: WOULD EVERYONE JUST SHUTUP?!?!?!?
Eveyone: NO!!!
Me: *yelling at Knuckles*
Tails: *yelling at everyone*
Sonic: *yelling at self*
Random loud voice: Everyone shut your faces!

Everyone: O_O

~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~

7 - Knuckles got a new toy!

Knuckles: I finally decided what I was put on this earth to do!
Tails: *uninterested* Guard the Master Emerald?
Knuckles: No, well yes, but I have decided to buy an automatic chemical weapon!
Alana: *jumps out of chair* No way man! No way am I going to let blow all that money just so you car buy something potentially dangerous that would probably kill you and the rest of us!
Knuckles: ='(
Alana: I'll give you one for half that price!
Knuckles: =D *Runs out of room with Alana*
Amy: what a couple of idiots!
Alana: I heard that!
Sonic: Thank goodness she's finally gone!

All- NOOOOOO! *Run away screaming* AHHHHHHHHHH!

Knuckles- WHAT?!?!

8 - *insert evil laughter here*

EC: Like I say, when you get bored with your old characters add some new ones. Which is how this chapter originated? Enjoy.
~*
Knuckles: *polishing gun*
Tails: what do you plan to do with that thing?
Knuckles: you know Tails I've given that a lot of thought.
Sonic: And what have you come up with?
Knuckles: absolutely nothing.
Tails: O.o
Alana: I know! Let's attack Eggman! I'll bring a couple of my guns too and we can all take a shot at him!
Sonic: How many of those things do you have?!
Alana: *shrugs* Dunno, lost count.

Knı	ıck	les:	П	kn	\cap
$I \times I \setminus I$		ICO.		NΠ	UVV

Rouge: well isn't there anything you wanna say to me?

Knuckles: Hm,no.

Rouge: *pouts*

9 - This is for you!

Notes from EC: Chaoscollision asked me to put her character Sky in the story. She told me that Sky liked Shadow and Sonic liked Sky but Sky doesn't really like Sonic that much. Yeah go triangles. This chapter wasn't very random, it was more of an intro for the next chapter which will be much better. Fighting, sarcasm, and randomness. And Amy gets what's been coming to her! WEEEEEE! So again this is more like an intro for whatever chappie comes next! PS yeah I added it already. I have no life XD

this is more like an intro for whatever chappie comes next! PS yeah I added it already. I have no life			
~*			
Alana: say it!			
Eggman: never!			
Alana: *pokes him in head with gun* say it!			
Eggman: fine! You will rule the world and I won't!			
Alana: there was that so hard?			
Eggman: O_e I hate you.			
Shadow: this is so boring! Sonic's a fake, Amy obviously annoys everyone and Alana won't shut up! When will the randomness end?!			
Knuckles: when I tell it to.			

End flashback
Alana: oh yeah! Whoever won that race?
Sonic: I did!
Shadow: No I did you faker!
Sky: break it up would'ya! *walks over and sits next to Shadow*
Shadow: *whispers* see I told you she likes me better!
Sonic: that's it! It's time to take this fight to the battle ring!
AII: NOT AGAIN!
~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*

10 - Rage and yelling and stuff

Amy: Sonic why are going to fight Shadow you love me remember? REMEMBER!
Tails: Really?! Where was I when all this happened!
Alana: Dude, you just got burned by Tails!
Shadow and Sky: *are in the arena and the rest walk in*
Shadow: Alright this battle will decide it all!
Sky: this is pointless
Alana: just like the rest of this fic!
Eggman: Now I can get rid of that pesky blue hedgehog once and for all! And I won't even have to move a muscle! MUHAHAHAHAH!
Alana: Dude! No plotting evil revenge in the arena!
Eggman: sorry.

ding,ding,ding
Random announcer: The battle will begin in a half hour while these two hedgehogs warm up!
Alana: and don't forget to buy your XXXX large T-shirts! Show your friends you have been to hedgehog battle!
Knuckles: I'll take one of those!
Alana: here you go! That'll be 8.99! Anyone else! Supplies are limited! Hey! You have to pay for that!
Alana's T-shirt slogan: Frogs R' Fun
O.o
Sky: Do you really think they'll kill each other the way they plan to?
Alana: nah. Sonic's the most spineless person I know! Besides they're both drunk!
Sonic: I hate your guts and I will kill you! And then I'll kill you some more! MUHAHAHAHAH!
Shadow: Dude! That didn't even make sense! Besides your the one who's going down you faker!
Sonic: quit calling me that!

ding, ding Fight start!

~*~*~*~*~*~*~*~*~*~*~*~*~*~

11 - Location:

Notes from EC: haaallooooooo reader! Guess what? This is the chapter where you get to see what happens in the fight and you get to find out where they have been hanging out all this time! WEEEEEE!

Umright have fun with that.
~*
Shadow: *swings*
Sonic: *swings*
Pause. Silence.
Alana: ummmm. They're both dead?
Sky: *shoots up out of her seat* what the heck?!
Sonic/Shadow: *Lying in the middle of the floor*
Knuckles: what a couple of idiots! They've had too much to drink!!!
police come in

Cop: everybody freeze!
Amy: oh crap.
@ questioning
Cop: let me get this straight. They got drunk?
Alana yeah
Cop: and had a fight?
Eggman: obviously
Cop: and you're all drunk?
Alana: yes
Cop: And you all supported them to fight while intoxicated?
Alana: yes! I'll have it tattooed on my forehead! Quit asking the same freaking questions!
Cop: and you decided to do all of this in the police station basement. Why?

Rouge: I hate you. Kiss me you idiot.

Alana: please stop talking, please stop talking...

12 - Busting out

Notes from EC: I felt inspired by ChaosCollision's version of the story. Read it. It's awesome.
~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*
Sky: okay, here's the plan. We want to break out right?
Knuckles: Yes.
Alana: and go back to the police station basement?
Tails: No! That's what got us in trouble in the first place you idiot!
Alana: *pouts* fine!
Sky: okay here's the plan *whispers*
Awhile later
Alana: hey. *winks*
Guard: what do you want?

Alana: What do you think they've been trying to do since the beginning of this fic?
Knuckles: hey! Where are Sonic and Shadow?
Alana: Oh I sent them out to get pizza!
Tails: you what?!!! They'll beat the living crap out of each other! You know how disagreeable those two are!
Alana: well duh! If they weren't it wouldn't be any fun!
Sky: Alana, you complete idiot!
ambulance races by
Random dude in ambulance: we have an 859362 in progress at the pizza place! We need back up, body casts and straight jackets! Hurry!
All: *glare at Alana*
Alana: ^_^;;;

13 - The aftermath

Knuckles: Hey Rouge stop looking at my emerald!
Rouge: I didn't do nothin'!
Alana: I think she's questioning your authority!
Knuckles: WHAT?!*punches out Rouge*
Rouge: X_X
Alana: NOOOOOOOOO! This is the worst thing that could possibly ever happen!
Knuckles: what?? Is the Master Emerald gone!
Sonic: Did Eggman take over the world?
Tails: Did someone wreck the X Tornado!
Alana: We're out of beer!
AII: NOOOOOOOOOO!

Alana: Yeah!
Sonic: *sucking his thumb* I want my mommy!
Rouge: *wakes up* Oh grow up you big baby!
Sonic: *sniffle*
Shadow + Sky: *arrive*
Shadow: hey what's going on?
~*~*~*~*~*~*~*~*~*~*~*~*~*~*

14 - The great search

Notes from EC: Sorry, it took so long people.
~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*
Sonic: *in creepy detective clothes* Alright peoples, listen up! We're going to find that missing-
Alana: Holy crap! What the heck are you wearing?!
Rouge: *dies*
Eggman: NOOOOOO! It's so ugly! *shoots self*
Amy: O_O You guys be quiet! I love man in uniform!
Knux: Yeah! You two make the perfect couple! Weird, creepy and badly dressed!
Everyone: *laughs*
Sonic: can we just get back on the subject?
Tails: no.

Knuckles: Not again!
Sky: It happened before? O.o
Amy: NOOOOOOOOOOOOO! Not Sonic! I didn't even get to kiss him goodbye!
Alana: It was better to put him out of his misery.
Sky: hey! I thought you got knocked out!
Amy: So? This is a fic about randomness. I can do whatever I want!
Sky: I need a vacation. ~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*

15 - The attack of Amy Rose!

Notes from EC: You know what? I might actually add a plot line later on in the story! But for now you get a face full of randomness! XD WEEEE!
Disclaimer: (OMG she FINALLY decided to do one) I don't own Sonic or it's characters. I do however, own Alana, and I'm selling her for \$5! XD
~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*~*
Alana: *sleeping and drooling* snore snore SLUURP! O_O
Sky: ya know, she actually looks a little bit innocent when she's asleep.
Sonic: yeah. Let's rob her!
they all jump Alana
Alana: *still asleep* SLURP! *drool* snore *more drool*
Sky: I got her credit card! ^_^
Knuckles: I got her rifle permit! ^_^

Rouge- I got her boots! ^_^

Eggman: *who has been- somewhere o_o* And then we can dominate this, cable!
Alana: O_O No but we can channel surf for two hours.
Eggman: that works too.
@Alana's basement
scary movie is playing on the TV
Alana: dude, this is my favorite show!
Tails: it's a movie!
Alana: same difference.
Sky: hold up, why is this guy killing everyone?
Alana: same reason EC is writing this fic.
Sky: and what's that?
Alana: no reason whatsoever!

16 - I've Never....

Disclaimer: I don't own Sonic or it's characters. They're copyright the Sonic team. I don't own Sky either. She is copyright Chaoscollision. YAY! I finally decided to do a disclaimer.

Notes from EC: Okay people there's going to be a new guest in this story so....read. Or something.

Sonic: Help she's trying to kiss me! Make it stop! Make it stop!

Alana: shut up you big baby! We're trying to think of something to do!

Sonic: I know something you can do!

Alana: what's that?

Sonic: help me!

Sky: I've got a better idea!

Tails: what?

Amy: *stops kissing Sonic and listens to Sky*

Sky: let's play I've never!

Alana: I love that game! Isn't that the one where someone counts to a hundred and you go hide and then when they try to come find you, you jump out of the tree on to them and then they start yelling about not being able to breath and you have to take them to the hospital? ^_^

Sky: @_@ No. I've never is when you each have an alcoholic drink and someone says that they've never done a certain thing and if you have then you have to take a sip of your drink.

Shadow: but what if we get drunk?

Tails: We're already drunk!

Shadow: oh yeah. ^_^

Rouge: sounds like fun!

Eggman: lets do it! I will destroy you pesky hedgehog! And then I will control the world! MUHAHAHAHAHAHAHAH!!!

Alana- EGGMAN! What did we discuss?

Eggman: *pouts* I am not aloud to destroy any characters during this fic, you will rule the world and I will work at McDonalds and Yu-gi-oh is the best anime/manga on the face of the earth. (A/N- I don't own Yu-gi-oh either. I feel depressed now...-_-)

Alana: ^ ^

>A few minutes later<

Sky: since it was my idea, I go first. I've never loved Sonic.

Amy and Rouge drinks

Sonic: you've never loved me?! WAHHHH!

Sky: Rouge, you loved Sonic?

Rouge: What?? I was eight!

Knux: *snickers* Alright I'm going next! I've never blown myself up!

Alana, Sonic and Eggman drink

Knux: Sonic?

Sonic: I was in a fight with a robot! I accidentally made it self destruct!

Knux: oooo-kay. Eggman?

Eggman: I'm a genius mad man of course! I did it while building a robot!

Knux: Alana, what's your excuse?

Alana: Would you really like to know that? ^ ^

Knux: actually, not really. -_-'

Alana: it's my tu-

Alana: fine, we won't invite Julie-su, but Cream and Cheese stay!

@Alana's basement

Sky: *enters room* Did anything happen while I was gone?

Rouge: I dunno

Amy: you got a call from Shadow.

Eggman: Well I think we should-Alana: *hits Eggman with frying pan* We're not taking over the world! Got it! Shadow: I think that we should-

Alana: *throws frying pan at Shadow* We ain't doing that either!

frying pan narrowly misses Shadow

Shadow: O.O;; I didn't get to finish!

Alana: *holding frying pan threateningly*

Shadow: Okay, I'm done.

Knuckles: You're all wrong! We should see how long it takes to set Alana's hair on fire!

Sky: we did that last week.

Knuckles: Oh yeah.

Alana: I have an idea!

Knuckles: no you don't.

Alana: yes I do!

Knux: no you don't!

Alana: well, you're right, I don't.

Knux: ><;;;

20 minutes later:

Eggman: *filing Alana's nails* Are sure giving you a manicure will ensure that I rule the world?

Alana: er, yes.

Eggman: Are you sure that when ruling the world I'll get a free chicken every month?

Alana: positive.

Sky: this is not going to get anymore interesting. Continue skipping ahead.

A half and hour later:

Shadow: looking around. Has anyone else noticed the fact that Alana and Eggman are gone?

Sonic: no.

Shadow: I don't think that you get my drift. ALANA and EGGMAN are gone.

Sonic: 00;; Are suggesting that-?

Shadow: no! I mean that they are both psychos who want to rule the world! What good can come of this!

Sonic: I dunno. Wanna beer?

@ Some place looking over station square.

Alana: And then they pulled out her brain and placed it in the experimental jar.

Eggman: And then what happened?

Alana: they disposed of her body in the crematorium.

Eggman: And then what happened?

Alana: And then- Oh we're here.

Eggman: but what happened to the evil scientists?!

Alana: you'll never know.

Eggman: whatever. Did you pack the supplies?

Alana: let's get out the checklist shall we?

Illegal weapons- [X]

Lip gloss- [X]

Switchblade- [X]

Flying mobile- [X]

Army of evil robots- [X]

Eggman: why do we need lip gloss to take over the world?

Alana: you must always look your best when conquering the earth, Maybe that's why you've never managed too? Have you ever considered plastic surgery?

Eggman: -_-;

Alana: I thought not. Now how should we go about doing it?

Eggman: how about we take the flying mobile and demand they let us rule them?

Alana: no that plan sucks. I say that we take the flyer over there and demand world conquest?

Eggman: you just paraphrased what I said.

Alana: shut-up and get in the flyer.

Eggman: T_T You're mean.

Alana: I try.

So they fly away into Station Square. But before we get to that:

@ Alana's basement

Sky: okay, if I were one of two psycho maniacs where would I go?

Knuckles: Ooh! I know! To take over the world!

Sky: -_- Okay. So I think that we've already established they're somewhere in 'the world.' Any thing else?

Knuckles: they couldn't have gotten far?

Sky: wrong.

Knuckles: they can't do any major damage.

Sky: wrong.

Knuckles: O_@

@Station Square

Alana: I wanna announce it!

Eggman: no it was my idea!

Alana: what the crap are you talking about? It was MY idea!

Last time in this stupid fic: Alana and Eggman got so bored they created new "Rules" for the city. Sky went to prison, and attempted to call Alana but Alana hang up on her and Sky got really mad. The rest of them are somewhere drunk in the middle of the road.

Sky's Official list of Alana torture

- *Set her tail on fire like a fuse and see if she explodes.
- * Replace her snack cakes with bricks.
- * Rip out her hair and feed it to her.
- * Force feed her cheese.
- * Steal her gun and hide it.
- * Seahorses

Sky: *looks over list* Okay, all of these would be good choices if I could just figure out how to get out of here.

sudden spontaneous explosion can be heard in the background

Sky: O_O

Green hedgehog enters room holding gun and looking very intimidating

Sky: O_O

Green Hedgie: Alright! You let Sky go or I'll...shoot you!

Guard #1: *nonchalantly* and what relation do you have to her?

Green Hedgehog: Um...I'm her brother.

Guard #2: Alright Sky, you're free to go. *unlocks jail cell*

Sky: *bursts into tears* HEATH!! *kisses Heath passionately for like, 5 minutes*

Sky and Heath: *walk out*

Guard #1: That is one weird family.

Guard #2: agreed.

@ City Hall

Alana: So, in conclusion, you really don't have any freedom unless I say so.

Random guy in crown: THESE NEW RULES SUCK!

Alana: *pulls out gun* Would you like to rephrase that?

RGINC: O_O *screams and runs away*

Alana: I thought so.

Eggman: I'm bored! Can we stop for ice cream?

Alana: patience Eggman. We still have someone we need to wait for.

Eggman: you invited someone else? This has to be like the fifth person.

Alana: but it was absolutely necessary. *nods reassuringly*

@ Random street on the interstate

Cream: has anyone else noticed that Sky's gone?

Amy: who now?

Shadow: Don't worry I have her right here. *holds up Sonic's arm*

Sonic: dude, I'm not Sky! Let go of my arm!

Shadow: you're so sexy when you say things like that! *jumps on Sonic and kisses him passionately*

Tails: O_O ...right. That's sincerely disturbing. I thought I saw her walk off with some guy. But I think the guy was gay. He was wearing very tight blue jeans and was with another dude.

Shadow: *finishes kissing Sonic* That was the greatest! I love you, Sky!

Sonic: I love you too.

@ Candy Counter

Alana: *checks watch repeatedly* Where is she! She's totally late! *Takes off watch and throws it at Eggman*

Eggman: *clonk* Owie! T T

Alana: that sounds fun.

May: maybe we should make it a rule.

Knuckles comes into the room

Knuckles: Have any of you realized that Sonic, Shadow and Heath have been gone for almost three hours? I might be severely drunk but I think I have enough sense left to know that no good can come of this. Hey, Sky where are you going with the weapons?

Sky: ...Alana.....

Knuckles: OoO Really? Can I come?

Sky: Why?

Knuckles: let's just say I have something I've been meaning to pay her back for....

May: Don't worry, I've got it covered. *opens cans of beer and pours them down Eggman's throat*

Jake: Are you sure that's helping?

May: ARE YOU QUESTIONING ME?!

Jake: O.O ..n-no.

May: Good. *slaps Eggman* WAKE UP! Wake up before I kill you!

Eggman: *wakes up* I had a terrible dream! I dreamt that I was being tortured by a demented kitten! And there was this guy...and then someone was treatening to kill me and- *looks around room and curls up in the fetal position* *whimper* make it stop.

Alana: Don't worry Eggman, our new friend will be here soon.

Suddenly door opens and CCs sexeh vampy dude is standing there. His name's Haven by the way. I don't feel clever enough to add it into normal dialogue

Haven: Is this the place of the grand rulers of Station Square?

Eggman: *looks at Haven and passes out again*

Alana: Yep that's us.

Haven: I was told to come here by a girl who said to me 'I know who you are and why you love pigeons.'

May: *polishing gun* Well, we can't promise you pigeons. But we do rule Station Square. And we have beer.

Haven: *points at Eggman* You do know that guy's dead right?

May: He's just being a drama queen.

suddenly a crash is heard somewhere from behind. Sky, Knuckles and a dude named Bob are standing in the door way holding two by fours

Sky: Alright Alana, this is payback for what you did to me a few chapters ago!

Knuckles: And that time you ate my burrito!

Shadow: At least we know who isn't driving.
@City Hall
Knuckles: What do you mean `plans for world conquest'? You can't even keep this city in order!
Eggman: That's exactly what I told her.
Haven: Shut up Fat Man! If I may ask, what's in it for us?
Alana: Good question Haven! And you guys will get to rule the world with me! Except for Jake because I hate him.
Jake: Nonsense! *hugs her happily*
Alana: *gritting teeth* Someoneget me the shovel
@Random Highway

Sonic: Okay everybody, back in the car! SHADOW! Quit bathing in the mud!
Heath: Has anyone else been wondering what the others are up to?
Shadow: No.
Heath: But what if they're doing something cool without us?
Sonic: Come off it. Since when have THEY ever done anything cool?
@City Hall
Alana: So it is decided! Out plan for world conquest will commence tomorrow at sundown!
