## 2 - Continued from chapter 1

Kairi paused her video game. "Did we miss something?" asked Namane. "Yeah I just kicked Roxsas's @\$@ at chess!" Sora exclaimed proudly. Riku jumped down from where he was hanging. "Now there's a surprise." he said.

"Hey what's that supposed to mean?" Sora exclaimed. "It means you're an idiot stupid!" answered Roxsas. "Hey! Sora is NOT an idiot." Kairi said defensively. "Yes he is." argued Roxsas. "You take that back!" Sora yelled. "Make me." Roxsas teased. "AARRGGHH!!!" shouted Sora then jumping in the air and attacking Roxsas with his keyblade. "OW! That hurt!" yelled Roxsas. "You will pay for that!!!!!!!!!!!!RRRRRRRRRRRR!!!!!!!!!!!!BBBBBBBBBBBAAAAAAAAAAAA!" he cried. Sora and Roxsas began to fight like mad.

1 MINUTE LATER.....

"Okay you two break it up!" said Namane. "Shut up Namane!" Roxsas barked. "EXCUSE ME!?" screeched Namane. "That's it." she

said tugging on Roxsas's ear. "OOOWWWWWW!!!" yelled Roxsas. Namane flipped Roxsas over and tied him to the pole where Riku was hanging. "Let's get back to our video game. NOW!" ordered Namane. "Okay!" Kairi dashed over to her controller. "Let's play!" Kairi exclaimed. 10 MINUTES LATER...

"Ha! Victory is mine!" shouted Namane. "WTF?!" yelled Kairi. "Can someone please get me down?" whined Roxsas. "Fine you big baby." mumbled Riku. Riku walked over to where Roxsas was hanging and kicked the pole.

"Okay you got what you wanted now shut up!" said Riku. "Guys I'm bored out of hell let's do something!" moaned Sora. "Let's play spin the bottle truth or dare." said Kairi.

"We can use the empty beer bottle I left upstairs." Riku volunteered.

"You drink?!" exclaimed Kairi and Namane in unison. "Well it's a lot better than getting a sugar rush from soda." Riku said sounding slightly defensive. "Whatever just get the beer bottle and let's play already!" growled Sora. "Okay, okay I'm going I'm going jeez!" Riku grumbled. 10 seconds later Riku reappeared with the bottle in his hand. "Okay Sora you get to spin it first."

Sora spins the bottle and it lands on.....

Ok now I'm going to leave you in suspense muh ha ha!

### 3 - chapter 3

The bottle lands on.....

ROXSAS!

"Okay Roxsas truth or dare?"Sora asked with a sly grin on his face."Dare."Roxsas replied feeling confident that Sora would tell him to do something easy.

"Good.Now your gonna die of humilliation!"said Sora."Bring it on." Roxsas hissed."*How bad could it be?He'll probably make me drink 4 full bottles of soda.*"Roxsas thought smiling.

"Sora there's a cop outside chasing some weirdo!"Kiari observed."Oh really?"Sora said with the same sly grin on his face.

"Roxsas I dare you to run to the cop outside and shout in his ear ....."Sora finished his sentance by whispering to Roxsas what he wanted him to say.

"No way!! won't do it!"shouted Roxsas."You have to.The game is called truth or dare.You chose dare, plus I have leverage."Sora said holding up a small photo album of every embarassing moment that happened to Roxsas.

"Fine you win this time Sora,but soon I will have my revenge!"Roxsas yelled while walking out the door.

"Quick to the front yard!"Sora exclaimed.Every one ran outside to see what was going to happen next.They saw Roxsas tap the police man on the

shoulder and then shout "I'm a gaylord!" at the top of his lungs.

"Sora you dared Roxsas to say that:?!"cried Namane."Only 'cause it's true."Sora replied. Kiari,and Riku were too busy laughing there asses off to hear what Sora and Namane were talking about.

"Ok know it's my turn to spin the bottle!"Roxsas said.Roxsas spins the bottle and it lands on.....

NAMANE!

ok go read the next chapter to find out what happens next!

or I'll hunt you down and make you read it!!!!

## 4 - chapter 4

"Truth or dare Namane?" Roxsas asked. "Truth." said Namane. "Who do you like?" Roxsas asked. "You." Namane replied pointing to Roxsas. "Really?" he asked. "Dude you are so clueless." said Sora. "I wouldn't be talking lover boy." said Riku. "Shut up Riku!" Sora barked. "Both of you shut up!" said Namane. "It's my turn."

"Kiari truth or dare?" asked Namane. "Dare." Kiari said. "I dare you to kiss Sora in front of everyone!" Namane cried. "*I won't be the only one kissing someone tonight.*" Kiari thought. She turned to face Sora he was looking at her right in the eye. "Ready?" Sora asked. "I guess." said Kiari. Sora leaned in and kissed Kiari. If you looked at Riku right when they started kissing you could see a look of disgust on his face. Not the kind of face where you are totally grossed out but the kind of face where you look slightly hurt and shocked at the same time. When Sora and Kiari finished kissing Riku looked a little happy. There was a spark of happiness in Sora's and Kiari's eyes. Both of them were smiling. "*That was the best kiss of my life!*" Kiari thought. "Ok my turn." said Kiari. Kiari spins the bottle and it lands on.....

Riku!

"Finally! The bottle lands on me. I choose truth." Riku says. "Okay which would you rather do? Drink your own pee or eat your own poo?" Kiari asked. "Hmm.....that's kinda hard. The poo would taste like crap and the pee would probably be just as bad." he said. "Dude! Poo is crap!" Sora exclaimed. "So?" said Riku. "Anyway I would rather drink my own pee." Riku replied. Riku flicked the bottle he flicked it so hard it seemed to spin forever. The bottle finally slows down and it lands on.....

SORA!

"Okay Sora truth or dare?" asked Riku.

What will Sora choose? Truth or dare?

Read the next chapter! Why? Because I said so you frackin' dog!

## 5 - chapter5

"I choose dare!"said Sora. " I dare you to shout who you love into the heavens."cried Riku. "frack you Riku!!!! I love....." I know it ben three senteces but it`s a cliffhanger get over it you bastard!!!!

## 6 - chapter6

"I love **Kairi**!!!!!!!!!!!!!"Sora yelled "Ha! It`s about time you said it." said Riku. "Do you really like me?"asked Kiari " More than you know."said Sora "Then kiss me again you idiot!"yelled Kiari "I think I`m gonna hurl!" yelled Riku.

*Kiari and Sora begin makingout.Riku runs to the bathroom and starts barfing.*

"Okay guys please stop makingout it's getting boring watching you guys."Namane said."Then why don't you and Roxsas start makingout too?"Kiari suggested."Not a bad idea."said Roxsas."Don't push it Roxsas."said Namane."Please???"Roxsas begged.Namane smiles and jumps on top of Roxsas."Okay guys I'm.....Whoa!"yelled Riku.*Riku runs upstairs and comes back with a video camera.He starts to tape all the action in the room.*

"Ha! Now I'm gonna post this tape on the internet!"shouted Riku."We don't care."said Kiari and continues makingout with Sora.

"Crap!Then ther's no piont of this!"yelled Riku

## 7 - chapter 7

Suddenly there was a knock the door."I'll get it guys!! I don't want to interrupt you."Riku said sarcastically.Riku opened the door and saw JessLuvsBishies standing at the door."Hi Riku!"greeted Jess."Hey Jess what brings you here?"said Riku. "Kiari called me and said you guys were having a party."said Jess.

Riku smiled slyly(don't know if that's a word)."Come on in Jess!"Said Riku.When Jess came in this is what she saw,

Sora holding Kiari against a wall and kissing her like crazy and Namane on top of Roxsas on the floor kissing."That reminds me Kiari said you were being left out of something."said Jess,"Now I know what she meant."She sat on the floor staring at both couples.Riku sat down next to her and kissed her."Wanna take a shot at it?"he offered.Jess didn't say anything she looked around and then left at Riku kissing him crazy Riku kissed back just as crazy.When Jess left at Riku they ended up in a closet and the door was half closed. Remember when I said Sora was holding Kiari against the wall?(Well that wall was next to the closet where Jess and Riku were making out.)See Kiari was squirming a bit because she needed to take a breath of air and tell Sora how much she loved him.But Sora thought she was trying to be "playful" so Kiari kicked the door and it lock into place.

Finally Kiari broke free from Sora's kiss and gasped."Oh my god Sora!" she yelled. Sora stood there looking guilty."You are the best kisser and Boy friend I could ever ask for!"She said and pulled herself closer than close to him.She kissed him and they restarted making out.

## 8 - stranded in teh closet

Riku and Jess stopped making out,

"Oh My God We're stuck in here!" cried Jess in a state of panic. "That's not really such a bad thing" said Riku.

"Yes it is!" cried jess. "I'm afraid of small spaces!!"

"It's okay" said riku holding jess close" We'll get out of here but you have to calm down."

Jess sighed. "Okay."she said,"I'm all right now."

Riku let go of jess. "Step back as far as you can." He ordered. Jess did what she was told and riku got into a fighting stance. He punched at the door as hard as he could and the door broke right down the middle.

"Wow." said jess. "shoot my hand!!" shouted riku. "man that hurt!"

"You did it Riku!" cried jess hugging him.

"Yeah, now let's get outta here." said riku.They stepped outside the closet and saw that every one had stop making out.

"What happened?" asked sora. "We got locked in a closet that's what frackin happened" snapped Riku,"God sora you're so stupid"

"What ever!" said namane,"Let's just get back to the frackin game!!"

"Yeah." said Roxas.

every one sat in a circle around the bottle. "Who's turn is it??" Asked Kiari. "I don't know just let jess spin it!" said Namene.

Jess flicked the bottle and watched it as it landed on.....

\*HA! CLIFFHANGER! jk\*

Roxas!!!

"okay roxas, truth or dare?" asked Jess.

Unknowing of the fact that jess was a yoai fangirl roxas boldly said"Dare"

"okay i dare you 2 ....." But before jess finished her sentance, her friends Ayame and Midori(aka, me and chiros\_girl) popped into the room.

"Hola mi amigos!" greeted Midori.

"what's up every one??" said Ayame.

"Mido-chan! Ayame-chan! Glad you could make it!" Greeted jess.

"You're just in time!"said sora,"Jess is just about to give roxas a dare!"

"Ha!Ha! Roxas you r so in for it!" Laughed midori.

"What do ya mean?"questioned roxas. "You'll see." Said ayame smirking.

## 9 - here we go again!

"Okay Roxas i dare you to..."started jess. But then the door bell rang. "Who the Hell is that?!?!?!?"screeched kari. "I don't know but would some on just answer it?!?!?" yelled Riku who was now drunk. "Okay fine I'll get it! Just shut the hell up!" yelled Midori. Midori opened the door and found an enexpected guest at the door.

"Dude what r you doing here?!?" exclaimed Midori.

\*Who is the mystery person at the door? Find out in the next chapter!

## 10 - Here's.....

\*in the last chapter of kingdom hearts and a 1/2 Midori opened the door to find a friend of hers standing in the door way.\*

"RYUU!!!!" Ayame cried, embracing her short emo like buddie. "Ack! Can't...Breathe....."whispered Ryuu. "Oops! \*giggles\* sorry Ryuu-kun." apologized ayame.

"Oh i hope you don't mind every one but i brought a friend with me. " said Ryuu. Everyone looked behind Ryuu and saw Axel standing on the porch. "Hey Axel! You're just in time! We're playing truth or dare!" Greeted Roxas. "Sweet! Let's play!" said Axel and every one sat back in a circle.

"Okay, as i was saying..." Started Jess," Roxas I dare you 2....." The door bell rang again. "Pizza!" cried a voice from outside. "WHAT THE HELL?!?!?"cried midori jess and ayame at once. "I got it guys" said Kiari. She took a water gun out of the closet but it wasn't water in the water gun it was soda and spoiled milk. She opened the door and sprayed the person outside. "HERE'S WHAT I THINK OF YOUR frackIN' PIZZA dog!!!!" she yelled. "Hey comon! it's me Kairi! Demyx!" cried Demyx. "Oh. sorry Demyx....."said Kairi. "That's okay." said Demyx shrugging.

He held out the pizza box to Kairi. "pizza?" he asked. "Sure! come on in!" said kairi. "oh sweet truth or dare!" cheered Demyx. He rushed over and sat in the circle. "okay roxas i dare you to...."started Jess, she quickly looked around,"I dare you Roxas to kiss....." Namene?" Said roxas hopefully. "Nope,"said Jess, "I dare you to kiss Axel!!" she cried out. "Wtf?!?!?" Yelled everyone except for Midori and Ayame who were giggling and singing, "Roxas and Axel sitting in a tree, K-I-S-S-I-N-G."

"You've gotta be kidding me....." Said Roxas. "Nope now do it!" said jess. "\*\*sigh\* fine." said roxas. He turned to face Axel who was looking at him wide-eyed like he was either excited or afraid. "Make sure you kiss him on the lips."said jess. Midori slipped out her camera phone and Sora took out a digital camera. "\*\*sigh\* the frackin bottle just had to land on me..."mumbled Roxas. "C'mon get it over with."said Axel.

Roxas leaned in and kissed Axel on the lips. Midori and Sora both snapped pictures when there lips met and giggled. As Roxas was kissingAxel, both his expression and Axel's expression went from disgust to pleasure. Namene sat there just staring as Axel and Roxas began makin out. Ryuu was covering his eyes screaming, "My innocence!" Midori and Ayame both cheered"Whooooooooooooo!!!!!!" and laughed. Jess was smiling with satisfactory.

\*OMG teh Yaoiness!!!!!!! I know some one's gonna be a bit jealous. \*cough cough\*Namene\*cough cough\* Demyx\*cough cough\*

## 11 - teh fight for Roxsas

Namine yanked Roxsas away from Axel while they were making out " Get you're hands off my man!" screamed Namine. "No way! He's mine!" Said Axel as he took Roxas by the arm.

Namine and Axell Began pulling on Roxas's arms trying to force the other into letting go.

" For the love of Kira STOP!!!!!!" screamed Roxas. Namine let go of Roxas arm and Axel fell backward and crashed into the wall.

Axel quickly recovered from his fall and wrapped his arms around Roxas. "Mine!" Axel hissed. Roxas had turn bright red and looked up at Axel then he looked at Namine and again back at Axel. "So who's it gonna be? Me or her?" said Axel as he glared at Namine. Namine just stood there looking desperate and close to heart break. She looked down sadly even though Roxas didn't say who he liked more. "I- I...." started Roxas. He looked at Axel and Namine again. " I...." he tried again but he could not finish what he wanted to say. Roxas was so confused and felt so torn. *It's so hard to choose. I'm too afraid to choose one and hurt the other.* Thought Roxas.

" Hey guys don't make him choose. How 'bout we have a race or somethin." Piped up Ryuu.

"Yea a race!" said Riku. "Whoever wins gets Roxas!"

" No not a race."said Jess," a fight!"

"Yea!" cheered Ryuu.

"I'm in." said Axel, "And I will win."

" Count me in." said Namine. There was a look of determination set in her eyes.

Roxas gave her a concerned look. "Namine....."

"I can't give up now Roxas." said Namine," I like you too much."

" Enough chit chat let's get this fight on the road!" said Axel

*\*\*\*What will become of Axel and Namine when the fight? Will Roxas be able to stop them? Who will win the battle???*

*Find out what happens in the next chapter!!!!* \*\*\*

## 12 - The Battle

" Hey you know how on some gameshows as a tie breaker they make people wear helmets and they have those huge cotton swab thingies?" asked Ryuu," Well maybe the fight can be like that."

"Yea! That's perfect!" said Sora.

"Okay let's go." said Axel "I'll kick Namine's blonde butt!"

"Hold up!" said Kiari," Shouldn't there be some rules or somethin'?"

" Yea there definately should be rules in case somethin' comes up." said Jess.

" 'Kay I'll write down the rules." said Midori pen and paper in hand.

" Alright. Rule #1," said Jess " No head shots."

" Rule #2." said Riku," Who ever falls first loses."

"No shoot Riku. How else would the fight end?" said Demyx.

" Rule #3, you have to hit the person 4 times in a row before knocking them off." said Riku.

" 'Kay anything else?" said Midori.

" How 'bout best 2 out of 3 rounds wins?" suggested Ayame.

'Okay you guys done now?" asked Axel impatiently.

"Yes Axel we're done now we just have to it up." said Midori.

" There's plenty of space in the backyard," said Riku.

" And we can use the balance beam plus the mats we got from the gym 4 blocks away." said Kiari.

" We have bike helmets to right?" said Sora," We can use those."

"Okay but what about the wepons?" aske Demyx.

" How 'bout these?" said Sora holding up 2 large cotton swab-like weapons.

" That's good. Now let's go set up." said Jess.

After setting up, everyone gathered outside for the fight. Axel came out and stood on his end of the beam while they waited for Namine to come out.

" She's probably to scared." Axel sneered," She probably already ran off to avoid fighting."

"Shut up Axel you're such a jerk." said Kiari. " *Come on Namine, show Axel you're not afriad.*" thought Kiari.

Inside the house Namine was just finishing getting ready for the fight.

" Namine." said Roxas, "You don't have to do this."

" Yes I do Roxas." replied Namine her back still facing him.

" Why?" he asked, " Why are you going to fight."

Namine turned aroud and looked Roxas right in the eye.

" I'm doing it for you..." she said softly. And with that she grabbed her weapon and walked outside.

" Namine..." whispered Roxas

" Hey look who decide to show." Axel jeered.

"Shut up!" snapped Namine," Let's just get this over with."
