## 1 - discovered

The night her daughters were born the queens sister came 2 her with news."sister did u look at their wrists?"asked the queens sister."I did and they have the mark of the choosen."she added.

"that's absurd!"the queen protested."look for yourself."replied her sister.The queen look at their wrists and found out her sister was right,her daughters each had the mark of the choosen.

## 2 - chapter2

"How is this possible?"the queen exclaimed.She started pacing the floor."I don't understand.I thought this was supposed to happen to our cousin Alicia."she thought.

Suddenly,the lights in the room began flickering."They're here."the queen hissed."We must save the children."said her sister."No!I won't leave my daughters."the queen protested."You must or we all die."replied her sister.She walked to where the children were sleeping and with a wave of her hand they dissapeared.

### 3 - 12 years later with Aquialia

Allie(aquailia) suddenly awoke to the sound of her alarm clock buzzing. "shoot I'll be late for baby sitting!"she said to her self. Quickly she combed her hair dressed self in jeans and a bloody red and chorcoal balck t-shirt with her gothic pirate hair bandana to hide the crown of her messy wavy winter brown and dark violet hair.

"And to think it's my birthday!" she mumbled under her breath. She grabbed her back pack and a mini bagel from the kitchen table."Later mom! I have to go baby sit the johnson boys!"she called over her shoulder. "Ok make me proud! Earn some money!"Allie's mom called back. "I love you!" she added. Allie snatched her bike and quickly mounted it. She pedaled as fast as she could passing by the store where her dream artset stood in the windo. "By the end of the baby sitting day I'll have enough money to buy that artset!"she told herself while she pedaled crazy to get to her clients house.

Allie finally arrived at the house and knocked on the door. Mrs. Johnson oped the door and greeted her with a friendly hello. "You're 30 minutes early have a seat you look so tired." said Mrs. Johnson. "That's ok Mrs. Johnson, I thought I was late plus the boys are always so good!" replied Allie.

"John ,Jake,Jimmy , Tommy,Timmy, Kyle, Kevin!"called Allie, "I'm here!"

All 7 boys came running from the basement and hugged Allie's legs. "Oh boy . Here we go!"Allie said as she fell to the ground from the boys weight. "Easy does it guys!"she laghed. "I won't be able to breathe if you're all on top of me!"

"Well I'm gonna head to work early so I'll see you at 3:30 instead of 4:00." said Mrs. Johnson. "Ok have a good day at work Mrs. Johnson!"called Allie as Mrs. Johnson closed the door behind her.

"Come on Allie! We already set up our DDR game."said Jake the eldest of the seven. "Ok lets go guys!" cheered Allie. She ran for the basement and the boys followed after.

After 4 hours of DDR and a action movie all of the boys fell asleep so tired from all the fun. Allie tip toed from the basement to check and see if Mrs. Johnson was home yet. She was and Allie motioned for her to be quiet. "Here's your payment for the day,"said Mrs. Johnson"And there's a little birthday bonus."

"Thanks a ton Mrs. Johnson. I have to go now my mom wants to spend time with me since its my birthday."said Allie.

"Have a good day Allie"called Mrs. Johnson as Allie got on her bike and rode away.

She rode quickly to the art store where her dream artset was and ran iside. She looked back at the windo and saw that the artset was gone. Allie's heart sank. She looked at her watch and saw that her hold time was 3 minutes past over. "I'm too late."she sighed.

Allie peddled home slowly crying silently as she rode along. When she reached her house she climbed

up to her window like she always did and went inside her room.

## 4 - surprise surprise!

Allie flicked on the light switch next to her window. "SURPRISE!" cried her best friends Nikki(Nicallia) and lori(Loriccila). "Holy shoot!" screamed allie falling to the floor. The two orphaned sisters laughed and helped allie up. "Happy Birthday!" cheered allie's friend Liam. "Oh crap!" shouted allie jumping so high her knees almost hit the ceiling. She turned around and hugged liam. "I thought you moved!"she cried out. "No way! I just went on vacation! I was lookin for a good birthday present to give you!" he said holding a box out to her. "Since nikki and lori have the same birthday as you i got them something simalar." he added handing a small box to lori and nikki. The three girls each open the boxes given to them"Wow." they sighed. each girl held up a necklace and a special case to put the necklace in. Allie's necklace had a shimmering ocean blue charm with a small gold starfish charm attached to the ocean charm and when she turned it at different sides it would shimmer all sorts of colors. Sea green, purple, coral pink and other colors. And the case was a beautifil blue sea sheall and the edges were rounded with silver. Her favorite zodiac sign was engraved on top. Aquarius. Nikki's necklace was simalar to allie's but the color of it was sunset orange and the gold charm was a sun. The case was also orange but it was made out of coral and was shaped to look like the sun and the edges were outlined in gold. On top ,like allie, her faveorite zodiac sign was engraved. Scorpio. And when she turned the neclace it glittered the colors of the sunset. Lori's necklace was just like the other two but her's was daisy pink. the golld charm looked like a carnation and the box was made of wood with pink petals attached to it. The edges of the box,like Nikki's, were outlined in gold. Her favorite zodiac sign was engraved ont the top just like th other's. Cancer."These are beautiful Liam" said Allie bringing him into a hug again,"Thanks so much!". "Yea! Thanks Liam!" giggled Lori, joining the hug."Thanks alot!" said Nikki smiling embracing him too. "Ack!...can't.....breathe!"whispered Liam. "Sorry!" said the three girls realsing their friend. "HUG OF DEATH!" Laughed allie embracing Liam for the third time." Okay Allie enough hugs."said Lori,"Let's go down stairs." "kay. I'll catch up with you in a sec."said allie. "Okay but be quick" said Liam. The three ran down stairs while Allie sat on her bed and stared at the neckalace Liam had given her."He's so generous."she thought,"The necklaces must of cost him a fortune. She gazed into the ocean blue charm. Suddenly every thing went black and then,she saw something she had never seen before. \*Mwhahahaha!!! Cliffhanger!!\*

## 5 - The truth

Allie wandered through a dark tunnel. "Where am I?" she questioned. "You are home." a female voice said. "Who are you?" Allie cried, "What do you want from me?!" "I want you to know the truth of where you came from." the voice replied, "Who you really are Aquailia." "Who's Aquailia?" Allie asked, "My name is Allie." "You are Aquailia." the voice replied, "My daughter." "My mom died in a plane crash!" Allie shot back, "So unless I'm dead, then you can't be my mom!" Suddenly the tunnel disappeared and Allie stood in a large courtyard. There were flowers that had colors of the sun, rosebuds, and the ocean. At the center of the courtyard stood a large fountain with pink, orange and blue flowers floating in it. There, on the fountain's edge sat a woman with light olive colored skin and long dark hair like the wings of a raven. Her eyes shone a silvery color and when she stared at you, you could see the sparks of a child's curiosity in them. Yet there was a hint of wisdom in those piercing silvery eyes. As if she had lived for many long years and knew the secrets of the world. "Come and sit child." the woman said to Allie. Allie did as she was told and sat on the fountain's edge next to the woman. "Who are you?" Allie asked, "Why am I here?" "I told you child I'm your mother." the woman replied, "And you are here so I can explain to you who you really are, where you came from." But before the woman could continue Allie heard more voices. "Allie! Allie wake up!" a girl's voice cried. "Allie! Wake up! You're scaring us!" another girl's voice pleaded. Finally a male voice came in "Allie! Allie! Come on wake up! Allie!" "Liam....." Allie whispered. She looked around and noticed everything was fading away. She looked at the woman who was also fading. "I will see you again Aquailia." she said. "But when? when will I see you again?" Allie cried out to her. "Soon my child." the woman said. Then the whole courtyard faded away, along with the woman, and Allie awoke to find Liam staring at her nervously with her two friends looking at her over his shoulder with scared faces. "Thank God! You're all right!" Liam sighed with relief as he pulled her into a hug. "Please don't ever scare me like that again." "Sorry." Allie replied, "I don't know what happened one minute I'm looking at the present you gave me, the next I'm on the floor with you guys staring at me like I had a million heads!" "Well the good thing is you're okay." Nikki said, "How about we go downstairs and finish off those brownies your mom made before Liam sneaks down and eats all of them." Allie laughed. "Yea let's go." And with that the four friends walked downstairs unaware of the future ahead of them.
