Chapter 1 - Through the darkness

2

1 - Through the darkness

Through the Darkness

There is a light shining through.

And even though you feel alone,

You always have a friend standing by you.

Through all the sadness and tears,

I stand by you

and comfort you during the darkest of years.

We are Friends.

We always will be,

Friends till the very end.

Because.....

Through the darkness

There is a light shining through

And even though you feel alone,

I'll always be here, standing beside you.....
