# 1 - Crappy Valentine's Day

Crappy V-Day

As I Lay In Bed.  
My Heart Starts To Beat.  
Your Voice Keeps Going Thru My Head.  
Your Images Flash Before My Eyes.  
As I See The Stars Fly By.

I Cant Take This Anymore.  
My World Is Falling Apart Tonight.  
And I Know Its Not Okay.  
I Know That I Shouldnt Feel This Way.

And I Scream.  
Im Waiting For You.  
I See You By My Side.  
I Know That Im Not Crazy.  
I Dream Of You Again Tonight.

This Is The Worst Day Of My Life.  
But I Know That I Can Live.  
And I Believe In Anything.  
But I Cant Turn Back Time.  
I Need You By My Side.

The Night Has Arrived.  
My Dreams Have All Washed Away.  
I Can Not Live This Way.  
All I Wanna Do Is Cry Tonight.  
I Know I Shouldnt Feel This Way.

And I Scream.  
Im Waiting For You.  
I See You By My Side.  
I Know That Im Not Crazy.  
I Dream Of You Again Tonight.

And I Scream.  
Im Waiting For You.  
I See You By My Side.  
I Know That Im Not Crazy.

I Dream Of You Again Tonight.

My Heart Beats.

My Dreams Are Gone.

My Life Is Dead.

But I Cant Help but To Think.

This Was All My Fault.

And I Scream.

Im Waiting For You.

I See You By My Side.

I Know That Im Not Crazy.

I Dream Of You Again Tonight.

And I Dont Feel Alright.

## 2 - Please Babe

Please Babe

I see your sad gloom face.  
And I cant help to think.  
Why are you this way.  
Why cant you smile.  
Why cant you feel any happiness.

I always hear your crying.  
I always hear you feel alone.  
I hear you saying you want to die someday.  
To escape from this pain.  
To escape from your heartbreak.

Please dont cry tonight.  
Please dont say you'll die.  
I want you to feel happiness once again.  
So take my hand babe.  
I'll get you thru this.

Whenever you feel alone.  
You can come to me.  
I will always be by yourside.  
Please dont cry babe.  
Everything will be all right.

You'll get thru this.  
I know you will.  
I have faith in everything you do.  
I will never push you away.  
I'll open my arms and hold you when you cry.

Please dont cry tonight.  
Please dont say you'll die.  
I want you to feel happiness once again.  
So take my hand babe.  
I'll get you thru this.  
And you'll be fine.

### 3 - Life

Life

Im running down the street.  
Looking for a week.  
Where I belong.  
Where I call home.  
I will find it if I try.

Im looking toward the sky.  
But theres no sign.  
Where I lived.  
Where will I go.  
What have I gotten myself into.

I'll take on my challenges.  
I'll move past the pain.  
I still cant believe.  
How much i've changed.  
I will play this game called life.

Im running past your house.  
I see you standing there.  
You smile and wave at me.  
I cant believe this.  
How far have I gone.

I trip and fall.  
Oh my god.  
What am I doing.  
Why am I looking for this fake place.  
I will find it if I try.

I'll take on my challenges.  
I'll move past the pain.  
I still cant believe.  
How much i've changed.  
I will play this game called life

Why am I looking for this fantasy.  
When all i've wanted.

Was for you to see me.  
And now I know...

Home is everywhere I go.  
Home is everywhere I sleep.  
Home is where I dream.  
Home is where you'll be.  
I guess I beat this game called life.

## 4 - Lies and All Their Glory

Lies And All Their Glory

Ive been laying here.  
Waiting for you.  
But I cant seem to understand.  
Why I feel this way.  
Why cant I change my ways?

But still I wonder.  
What is wrong with me?  
Why cant I feel happiness.  
Why must I always feel the pain.  
Why cant I just change my ways.

Ive been here before.  
Ive seen all the lies.  
Ive been hurt so many times.  
My heart will fail and you'll hear me say.  
I cant live on this way.

I feel the pain.  
I hear the sorrow.  
I know that I will never be cured.  
But I still fight on for my life.  
And I still see the light in every heart.

Please help me.  
I cant understand.  
Why I still feel this way.  
I will never change.  
All I will ever feel is the pain.

Ive been here before.  
Ive seen all the lies.  
Ive been hurt so many times.  
My heart will fail and you'll hear me say.  
I cant live on this way.

Ive seen the light.  
Ive felt the darkness.

My heart is gone.  
But my soul still lives on  
As a tear falls down my face I say.

Ive been here before.  
Ive seen all the lies.  
Ive been hurt so many times.  
My heart will fail and you'll hear me say.  
I cant live on this way.

I cant take this anymore.  
Ill stop my breathing.  
And say my goodbyes.  
As I start to fade away.  
You hear my voice screaming out.

Ive been here before.  
Ive seen all the lies.  
Ive been hurt so many times.  
My heart will fail and you'll hear me say.  
I cant live on this way.

## 5 - Come With Me

Come With Me

Do you remember?  
When we were young.  
We were so foolish why didnt we understand.  
That we would be getting married someday.  
Just you and me forever.

Take my hand.  
And Walk with me down the oceanside.  
Will Hold eachother close and never let go.  
Please stand by my side forever.  
I'll never let go of you my love.

Come with me.  
Follow me into my dreams.  
See what its like to be in my head.  
See all the dreams that I had of you.  
They will stay there forever.

See what I mean?  
When I say im always thinking about you.  
Your always getting into my head.  
I love you more then life.  
I want to be with you forever.

Come with me.  
Follow me into my dreams.  
See what its like to be in my head.  
See all the dreams that I had of you.  
They will stay there forever.  
Just like how you will be in my heart.

## 6 - What Did I Do?

What Did I Do?

I cant stand the pain much longer.  
Why do I have to be this way.  
Why cant the pain just leave me alone.  
Why cant my heart be fixed one more time.  
I cant stand it anymore.

What did I do to deserve all my pain.  
What did I do to deserve all my agony.  
And what must I do to be just like you.  
Cuz you were everything that I wanted.  
But now I see you were just using me.

And now I see you with him.  
And im thinking inside my head.  
What have I done.  
Why would you do this.  
Why did you want to hurt me.

What did I do to deserve all my pain.  
What did I do to deserve all my agony.  
And what must I do to be just like you.  
Cuz you were everything that I wanted.  
But now I see you were just using me.

So why didnt you.  
Just tell me the truth.  
Why must you put me thru pain everyday.  
Just cuz im faraway.

I didnt deserve thi pain.  
And dont tell me that im just a fool.  
Cuz I know all the rules to love.  
But now I stand here heartbroken and cold.  
And I dont know how long I will last.

Cuz you tore my soul apart.  
And I dont want to live anymore.  
Cuz I know my life is just full of pain.

And I cant take this much longer.  
Just put me out of my misery.

What did I do to deserve all my pain.  
What did I do to deserve all my agony.  
And what must I do to be just like you.  
Cuz you were everything that I wanted.  
But now I see you were just using me.

I died tonight.  
I took my knife.  
To end my life.  
To escape from all this pain.  
That didnt deserve.

And now Im watching you.  
Before I take my fatal plunge.  
I wanted you to know.  
I did not deserve this.  
You just wanted to bring me down.

Well I hope your happy now.  
Youve succeeded in your plan.  
This pain destroyed my heart.  
My soul is not intact.  
And now I only have these words to say.

What did I do to deserve all my pain.  
Why did you want to hurt me everyday.  
What did I do to deserve all my agony.  
That you brought apon me.  
And what must I do to be just like you.  
Cuz you were everything that I wanted.  
And now your just a nightmare inside my head.  
What did I do to deserve all my pain.  
What did I do.

## 7 - Your Never Going To...

Your Never Going To

You kicked me out of your life.  
You broke my heart to pieces.  
And all I hear inside my head.  
All I feel inside my heart.  
Is the pain that you've inflicted on my soul.

Your never going to change me.  
Your never gonna get inside my head.  
So stop your words.  
There killing me inside.  
Your never going to control my mind.

Just let me live free.  
Just leave me alone.  
Cuz you've caused me so much pain.  
And its killing me tonight.  
I take my last breath.

Your never going to change me.  
Your never gonna get inside my head.  
So stop your words.  
There killing me inside.  
Your never going to control my mind.  
So stop these words.  
From killing me tonight.
