**Chapter 1 - for bean**

**2**

# 1 - for bean

"I wrote your name on a piece of paper, but by accident I threw it away I wrote your name on my hand, but it washed away. I wrote your name in the sand, but the waves whispered it away. I wrote your name in my heart, and forever it will stay." He was with us for a while and ended his life all too short. Now I write this for Tyler and Bean. The sweetest couple ever and Tyler committed suicide and left us all. Now Bean sits and cries for her poor Tyler, watching over all of us. Silent but caring.

Now we mourn...For

poor

Tyler

"I will not make the same mistakes that you did

I will not let myself cause my heart so much misery

I will not break the way you did

You fell so hard

I've learned the hard way, to never let it get that far

Because of you

I never stray too far from the sidewalk

Because of you

I learned to play on the safe side

So I don't get hurt

Because of you

I find it hard to trust

Not only me, but everyone around me

Because of you

I am afraid

I lose my way

And it's not too long before you point it out

I cannot cry

Because I know that's weakness in your eyes

I'm forced to fake a smile, a laugh

Every day of my life

My heart can't possibly break

When it wasn't even whole to start with

Because of you

I never stray too far from the sidewalk

Because of you

I learned to play on the safe side

So I don't get hurt

Because of you

I find it hard to trust

Not only me, but everyone around me  
Because of you  
I am afraid

I watched you die  
I heard you cry  
Every night in your sleep  
I was so young  
You should have known better than to lean on me  
You never thought of anyone else  
You just saw your pain  
And now I cry  
In the middle of the night  
For the same damn thing

Because of you  
I never stray too far from the sidewalk  
Because of you  
I learned to play on the safe side  
So I don't get hurt  
Because of you  
I tried my hardest just to forget everything  
Because of you  
I don't know how to let anyone else in  
Because of you  
I'm ashamed of my life because it's empty  
Because of you  
I am afraid

Because of you  
Because of you"
