1 - New school, New friends, New Crushes

This is my first yu-gi-oh fan fic and my first post so I hope it's good. Some of my own OC's. I knocked on the door of my new class. The door opened and a tall man with black shaggy hair and glasses was in the door way he was obviously the teacher. I handed him a slip of paper that the lady in the main office gave to me. He said "ah you must be the new student." I nodded. "Well come in." I followed him into the classroom, and with one look at the students I knew I wasn't in Orange County any more. Everyone looked at me with odd faces. I was so scared. The teacher said "settle down class..... I SAID SETTLE DOWN!!" all the students went quite and stared even more at me. "Well class this is the new student Shawn Adams. Hmmm..." he looked around trying to find a place for me to sit. "Ahh you can sit next to Yugi Motou and Duke Devlin." "I'm sorry where?" I asked. All the girls giggled. A little boy from the back who looked like he should be in sixth grade not a sophomore in high school waved at me and shouted "over here. You can sit right here next to me." "Oh" I mumbled. I quickly walked over to the boy with red, black, and yellow spiky hair. I quickly sat down next to him. "Hi im Yugi" "Hi my name is Shawn." Yugi pointed to the guy next to me, he had black long hair in a ponytail, and beautiful green eyes "this is Duke." "Hi" I said "hey" he managed to say. "And behind you is Joey." I turn around to come face to face to a really cute guy with blonde hair and pretty brown eyes. "Hi ya. I'm Joey Wheeler the coolest." "Pfft, you wish." Duke said. "-. - Oh no here we go" the guy in front of me with spiked hair said. "Oh yea" said Yugi "this is Tristan." "Hey" Tristan said to me. "Hi" I mumbled back. Sitting around all these adorably hot guys was making me nerves about what all the girls would think of me. "OH YEA DUKE?!?!?! WELL LETS SEE WHAT YOU THINK AFTER I KICK YOUR BUTT IN DULE MONSTERS!!!" "YOU COULDN'T EVEN BEAT A FLY!!!" I turned around to see Duke and Joey fighting with each other. "OH YEA HOW DID I GET TO WIN ALL THOSE TOURNAMENTS!!?!?" "You didn't win them you just got far in the competitions." Tristan whispered. "WHAT WAS THAT TRISTAN!!!?" Joey started yelling at Tristan. All the while the teacher was yelling at Joey. "MISTER WHEELER I WILL NOT TOLLERATE THIS BEHAVIOR IN MY CLASSROOM!!! OUT NOW!! TO THE HEADMASTERS OFFICE NOW!!!" "See ya later guys" Joey said to Yugi, Duke, and Tristan. After Joey left there was a long silence. I was passing notes with Yugi, I didn't want to get in trouble too especially on my first day of school. The bell rang for lunch. "Hey Shawn you're going to sit with us right?" Yugi asked before we left the classroom. "Umm yea I don't have anyone else to sit with so I guess I will." "Cool. Duke why don't you go with Shawn so she knows where to meet up with us." "Ok" he said back. I said to Duke "I have to go to my locker first....ok?" "Sure" Duke said back.

~My locker~

"Ok so I'm only getting a couple things for my class after lunch." I told Duke. He nodded his head. ---

"hey dude." Duke said to someone. I look up to see who he was talking to only to see a gorgeous guy.....

Hahaha cliff hanger hahaha had to sorry tune in next time. Love to hear suggestions

## 2 - Some people never learn

This is the second chapter of my first story please be nice. Some are my own OC's.

Recap: I (Shawn) am a new student at Domino High; I met Yugi Motou, Duke Devlin, Tristan Taylor, and Joey Wheeler. Joey was sent down to the headmaster's office, Yugi invited me to sit with him and his friends at their lunch table. Duke is at my locker with me and I just came face to face with a very hot guy. "Oh yea I forgot that you didn't meet yet," Duke said. The guy nodded his head acknowledging me I just stood there staring at him like an idiot. "Hi I am Yami Atem Motou, but you can call me Yami for short." "Uh huh," is all that managed to come out of my mouth. I realized I was staring at him like a mad woman and dropped a book on my foot. "OUCH!!!" I was holding my foot in pain. Yami bent down to pick up my book and his shirt came up a little bit and I saw his boxers and above that a very tan and toned back. "Here is your book...." Yami said to me not knowing my name. I just stared in to his amazing violet eyes. I could have fainted right then and there buuuttt I didn't. I realized I never told Yami my name, and that Duke had managed to sneak off to flirt with the cheerleaders down the hall. "Oh ummmm...." \*oh shoot what was my name again? Ohhh man come on think, think, think.\* I looked up at Yami. \*awww man he is sooo sexy.... No come on u never told him your name stop getting off topic... come on Shawn think ooohh wait I know my name again!!\* I looked up at him again, "Oh sorry my name is Shawn Adams." "Hi Shawn." He held out his hand for me to shake. I stuck out my hand and noticed it was shaking uncontrollably. Our hands met and we did that movement, whatever you want to call it. I let out the most stupidest and annoying giggle. Yami must have noticed and chuckled. I blushed like crazy. "Well Shawn lets head to the cafeteria for lunch." "Oookkkk!!" As we headed to the lunched room we passed Duke stuffed upside down in a trash can and the cheerleader's boyfriend, one of the football players for the school team, dusting off his hands and put his arm around the girl. Duke muffled "uh hello anyone out there Yami, Shawn, hello help I need help I can't get out" he was kicking his feet which were sticking out of the bin and everyone in the hall was laughing at him. "Should we Yami?" I asked. "It's the right thing to do." "Ok." We helped Duke out of the bin and Yami did something to that poor football player because he ran out of there like a cat being chased by a dog. "Duke you smell big time," I said. "Thanks Shawn that really gave me an extra boost in my confidence. I'm going to head to the bathroom to clean myself up then to my locker to put some cologne on so I don't stink up a storm and turn all the girls off."-.- some people never learn "Oooooooooohh what kind??" I asked. "Dose it matter?" "Yes" "Fine then old spice" "O.M.G!!!! I LOVE OLD SPICE!!!!!" everyone in the hall staired at me, Duke and Yami got very wide eyed and nodded to eachother. Duke darted into the men's bathroom, and Yami took my books. "Awww that's so sweet and gentlemanly of you...." I got cut off by a hand over my mouth. I look and it's Yami's. "Let's get to the cafeteria before you embarrass yourself even more." I tried to talk "mmmm hmmm mmmhmm MMMMMMMMM!!!" yea that wasn't working too well.
