Chapter 1 – Never again!

“Raven, come on this isn’t fair! You’re always in the bathroom every morning for like.....EVER and I really need to pee!” Best Boy yelled. Raven was standing over the sink looking in the mirror. She was clutching something tight in her hand. She couldn’t tell them, not yet anyway.

“RAVEN!” Moaned Beast boy

“Ok Best Boy, give me one more minute then I’ll be out!” Then she put back what she was holding in her pocket and ran the tap. She held her hands under it and splashed her face.

She opened the door and walked out.

“Finally, what on earth were you doing! Having a party or something?!” Shouted Beast Boy.

“Yes Beast Boy, I was having a party.” She replied and walked off towards her room. Then Cyborg walked up to Best boy.

“Dude! What is wrong with her today?”

“Ummm, I don’t know. Maybe she’s being moody today cause your around her in the morning, and no one likes that!” Joked Cyborg.

“Ha ha, very funny Cyborg.” *I’m going to find out what’s going on, and I’m going to find out soon* thought Best boy.

Later that day, everything was just another ordinary afternoon. Cyborg and Best boy were playing video games, Robin was trying to explain metaphors to Starfire and Raven was sat by the window meditating.

Inside Raven’s mind

“Come on Raven, I know you can do better than that.” Taunted a girl about her age. This girl had long, light brown hair and in was in a ponytail quite high up. It looked like she was from Azarathas well, but she was wearing a mid-long black skirt and a dark purple top with long sleeves and was also wearing a long cloak but it was light purple.

“Get out of my head!” Shouted Raven “How did you get to earth, you don’t have that type of powers yet Ash!”

“I know, but I didn’t come here at my own will, you sent me here.” And with that she kicked Raven in the stomach witch made Raven wake up from her meditation and sent her flying into the wall.

“Raven, are you ok?” Robin asked.

“Yes, Raven friend tell us if you are ok.” Said Starfire in a worried tone.

“I’m fine Starfire.” Then Raven started to walk out the room.

“What was that?” Asked Beast boy.

“None of your business.” Replied Raven

“Raven, tell us.”

“NO!” She shouted and turned round with her four red eyed form. Suddenly everything on the kitchen table flew up in the air and the kettle exploded.

Then she walked out the room. Everyone turned and looked at Best Boy.

“Welll am not cleaning that up!” Cyborg said.

Stay tuned for the next chapter!

2 - Ash

Chapter 2 – Ash

Oh by the way, this à* means that they are thinking about something or we enter their head for example we entered Ravens head in the last chapter. Ok on to the chapter!

Why did she come back, why did she say I sent her here? I would never send her here whenever whatever. I need to find out what she wants and soon, because if she gets out my head she could tell the others my secret! Thought Raven and she laid oh her bed she turned over to look at her clock it was 10:53pm.

Then there was a knock at the door. She didn't want to answer it but she had to, so that her friends didn't think she was completely bonkers!

"What?" Hissed Raven. She had the door open a quarter of the way so you can only see her face.

"Hey" Said Best Boy. "Just wanted to say sorry for being a bit, ummm pushy."

"No. I should say sorry for getting angry like that."

"Hey no problem, but I think Cyborg has gone completely insane over the kettle and the mess in the kitchen. I think he has a serious problem over the kitchen if you know what I mean" Then Raven smiled, it wasn't big but it was still a smile.

"Well see ya later." Yelled Best Boy as he started to walk down the corridor.

"Yeah, see ya later." Whispered Raven, and with that Raven went to bed.

Inside Ravens Dream

"Go away!" Screamed Raven. She was on her knees with her hands over her ears.

"No. I'm not leaving till I get what's mine." Ash shouted. Then she kicked Ravens back which sent Raven crashing into a rock. "I can never forget what you did."

"I came here to start a new life, and it's been going great don't mess it up. I've got friends who care for me and in return, I care for them. You don't need it, no one does. If someone like you had it, it will be the end of Azarath and everyone on it." Yelled Raven

"I care because....." Ash said being sarcastic.

"Because you will be killing millions of children, homes, families...." Raven was just about to finish her sentence when Ash kicked her again.

End of Raven's dream

Raven sat up straight and screamed. She was back in her room. Sweat was rolling down her face.

"Raven, are you ok? I heard you scream!" Asked Robin.

"Yeah, I think I'm ok"

"Good, I..." Suddenly the alarms went off.

Everyone was standing around the computer in the living room. Cyborg was sitting on the chair trying to find out where the disturbance was coming from. Then the big TV came on and there was a map of the town. And somewhere in the middle was a red flashing dot.

"That's where the disturbance is coming from." Said Cyborg, pointing to the red flashing dot.

"Titans Go!" Shouted Robin and everyone ran off but Raven. She was thinking hard. Then Best Boy put his arm on Raven's shoulder and asked "Are you coming or not?" Then Raven closed her

eyes and shook her head slightly.

"Yeah, let's go." And they ran off to the T-car.

"Are you sure you know where you are going Cyborg, because on my planet..." Asked Starfire.

"Yes I know where I'm going but this thing is moving fast." Replied Cyborg. Then they started to drive up towards the bank.

"I don't know how many times we've been here." Yawned Beast Boy.

"I believe it was 623 times." Said Starfire. Then the car stopped and everyone got out the T-car.

"Ok, give me all the money you've got and no one gets hurt" shouted the villain. Suddenly the Teen Titans burst in the door. The villain was a girl with long light brown hair in a pony tail that was almost on the top of her head. Then she turned round. As soon as Raven saw her she turned completely white.

"Never thought I would see you here Raven." She said to Raven. Then all the Titans looked at her.

"Do you know her?" Asked Robin.

"Why haven't you told them yet Raven? Well to bad I'll have to tell them."

"No!" Yelled Raven and then Raven flew up into the air then she started to throw chairs at her with her powers. Suddenly all the boxes flew back at Raven and she fell to the ground.

"Still weak are we?" She Asked.

"No" Shouted Raven. "Leave me alone....Ash!"

I know it's a bit predictable but still, it is my first story.

3 - The fight

Chapter 3 – WhyChapter 3 – The fight

Suddenly the red siren came on and everyone ran out screaming. Ash had dropped the bag of money on the floor. Suddenly she using her powers, she picked up four chairs and through them at the titans. Then Raven, using her powers was stopped the chairs dead in there tracks and fell to the floor.

“I will never allow you to hurt anyone here.” Yelled Raven

“You see, I don’t intend to hurt anyone. Like I said I came for what’s mine and if anyone gets in my way, I just might have to do that.” Yawned Ash and suddenly she clicked her fingers and to Ravens surprise four cages captured Robin, Cyborg, Starfire and Beast Boy.

“Let them go!” shouted Raven

“Not till I get what I want!” Suddenly Raven rantowards Ash ready to hit her with her powers, but Ash had teleported herself behind Raven and she kicked her back which caused Raven to fall to her knees. Suddenly she picked Raven up with her powers and slammed her into the glass door. She gave a little groan and tried to get up but bits of broken glass showered on top of her. Slowly, Ash started to walk over to her.

“Come on Raven, this is too easy.” Then Ash flew up into the air and started to throw plants and bits of glass towards Raven. Each object hit Raven hard, and Ash didn’t miss her once. Then she stopped and flew back to the ground.

“Azarath, Metrion, Zenthos!” Yelled Raven spinning her head round, her eyes turning white then a beam of Black energy hit Ash which made her crash into the bank counter. Ash then stood up, she was a bit shaky. Suddenly, Raven flew at her. She grabbed her pony tail and swung her into the wall which caused a lot of smoke.

“Well I guess you’re not as weak as I thought.” Said Ash in a calm voice. Raven took a step backwards. When the smoke cleared Ash wasn’t there. Raven started to look around in frustration.

“Were are you? Show yourself?”

“Ok.” Suddenly, Ash appeared from behind her and shot her with a blast of her gold energy outlined in black, her eyes were gold and her fists gold and outlined black as well.

Raven was lying on the ground. She tried to get up but then Ash pushed her back down with her foot. Raven was now lying on her side, not moving. Her breathing was heavy.

Ash walked up to Raven, her hands still glowing gold. She gave a little smirk then she pointed her hand towards Raven.

“Say good bye Raven.” But before she could shoot a green goat had head butted her side which made her crash into the wall unconscious. Then the green goat turned back into Beast Boy. He ran over to Raven and picked her up.

“Beast Boy, get Raven somewhere safe and ask her what’s going on!” Yelled Robin.

“Ok.” Said Beast Boy. Suddenly, he morphed into a cheater with Raven on his back and ran to safety.

Beast Boy knew he couldn’t go to the Titans Tower, it was too obvious. Then he started to run towards the beach. He knew a cave up there that he used to go to when Terra died. He had been so depressed back then, and Raven tried her best to cheer him up.

When he finally got there he morphed back to human form and laid Raven on the ground. He was

about to get some fresh air when he noticed something round Raven's neck. He knelt down beside her and looked at what it was that caught his attention. It was a locket, a heart one. He didn't want to open it, the last time he messed with her stuff he ended up inside her mind. But he was so eager to find out what was inside. He was so concerned; he hated seeing his friends in pain. She had so many cuts and bruises, that's what made him mad. None of them were too serious except for the deep cut on the forehead.

"Why isn't she healing herself?" Thought Beast Boy. Then, all of a sudden she started to float in the air.

"Guess I thought too soon." He joked

Back at the bank

Ash tried to get up, using the bits of broken wall to help her. She looked around, but all she could see was the four cages. Raven wasn't there. She then banged her fists against the wall.

"Great! She's gone." Ash moaned.

"Why do you wish to kick the butt of Raven?" Asked Starfire. Ash turned her head and started to walk over to the cage.

"Stay out of this.....you tart!" Hissed Ash. "Look at how you dress. I've never seen a skirt as mini as that."

"Hey, leave her out of this!" Yelled Robin

"Why should I! You 'Titans' got involved ever since Raven joined your little team." Yelled Ash

"Hey, where's that cute little green dude?"

"None of your business." Growled Cyborg

"It doesn't matter if you don't tell me anyway. I'll find them soon enough." Suddenly she clicked her fingers and they disappeared.

4 - Nalica

Chapter 4 – DreamsChapter 4 – Nalica

BeastBoy sat on the cold floor next to Raven. He had taken of her cloak because it was torn and dirty. So many questions were ran through his head about today. Raven really does make him very confused. It was nighttime and all the stars were out. He walked over to the entrance of the cave and laid down on the soft sand, his hand and legs stretched out. There were so many stars in the sky; it reminded him of the galaxies that he passed when they were in the T-Ship flying to Starfires home planet. He started to count all the stars in the sky. Raven had awakened and started walking over to Beast Boy slowly.

“26, 27, 28, 29...” Beast Boy counted.

“There are 686 stars that we can see from here.” Said Raven in a motionless tone, then she sat down next to Beastboy. She put her hands round her legs and rested her head on her knees. BeastBoy sat up suddenly and shouted.

“RAVEN! You’re ok. Wait you’re still hurt. The cut on your forehead, it’s really deep.”

“Yeah, I know.” Then she touched it lightly and screwed up her face. “Still hurts, but at least I’m still alive.” Beast Boy stared at the ground and Raven was looking up at the stars. There was a minute of silence until Raven muttered.

“Thanks for saving me, I really appreciate it.”

“Don’t worry about it! I’m sure you would have done the same for me.” There was another moment of silence. BeastBoy looked at Raven, her eyes were shining brightly. Raven looked up at BeastBoy and their eyes met. They both blushed and looked away.

“Hey Raven, who’s Ash? Is she some sort of enemy of yours?”

“Sure, you can call her that.” Raven yawned. “I’m going to go to sleep. Are you coming?”

“Sure why not.” And so they both fell asleep deep inside the cave.

Where Ash and the other Titans ended up

“Ummmmm, where are we exactly?” Asked Robin.

“Wouldn’t you like to know?” Ash shouted.

“Yes, we would!” Yelled Starfire, suddenly her eyes turned green and she started throwing green bolts at the cage. She stared at the smoke that the green bolts made. When the smoke finally cleared, the cage bars didn’t even have a scratch on it.

“How is this possible?” Asked Starfire

“Ummmm, HELLO! Metallic metal from Azarath. Only available there, wait Raven didn’t tell you about that to! She doesn’t tell you much does she?” Ash Replied. “Well that’s just typical her, she never told me much as well when we were kids.”

“Wait you’re from the same place Raven was from and you’ve know each other since you were kids!” Yelled Cyborg. Ash did answer; she was looking out of a window.

“If you’re from Azarath, why don’t you do the meditation of what I and Raven sometimes do?” Asked Starfire.

“I don’t need to meditate as much as she does. She can’t control her emotions, I can but there are some emotions I can’t control.”

“Like what?” Asked Cyborg. Ash slowly began to walk up to Cyborg’s cage. When she got right

up close to the cage she whispered "Like I'm going to tell you, I could tell you all I know about Raven and all her secrets, but I'm not telling you anything about me!" Then Ash walked over to the window, sat down and started to meditate.

Inside Nalica (If you want to know what a Nalica is, it's a dream world where you go and relax and chat with people who live far away from you and stuff. (Only Azarath people can do this cause I.....um....don't know!))

"I can't stop her! She's too strong, even for me." Moaned Raven

"She is very strong, but it's not the strength on the outside that matters. It's the strength on the inside that does." Said a teenaged boy, about Raven's age. He had straight, fair hair that hung over his eyes slightly. He was wearing black baggy trousers and a long-sleeved white shirt. He looked like Raven as well. He was also wearing a cape like Raven's but it was light blue. "Have you still got it? Because if you haven't you know what might happen."

"Yes I know and I do have it, don't worry it's safe with me." Raven replied "I don't know what to do, I'm stuck. You're got to help me, she's your sister."

"Yes, but she's yours as well. Just think, there's a saying. Three separate siblings are useless, but together they are invisible." The boy said. "For she is Ash, you are Raven and I am Shadow and together...."

"Stop, you're starting to sound like Aunt Grema."

"Yeah, I better stop. I hope Ash isn't meditating or sleeping, and then you would have to fight her here."

"I wish I could sleep forever. Then I can stay here and talk to you. Back on earth, it's very complicated. I can't explain it. When I'm here I feel calmer."

"Well duh, it's a Nalica. It's supposed to make you feel..." Shadow was just about to finish sentence when a bolt of gold energy hit him from his right and sent him flying into a pile of rocks.

"Did you really think that you and Shadow could run away from me in a Nalica?" Ash smirked and slowly began to walk up to Raven, her hands glowing gold.

"Ash"

"Raven"

"Monster"

"Creep! Oh look I've given you a little cut; still I'm going to do more than that..." Suddenly a bolt of blue energy shot Ash on her hip and sent her flying into the ground.

"Go! Try and get back I can take care of it from here." Shouted Shadow and he started to get up. Raven took a step backward, stumbled on a rock then fell over. "GO!" Then she shot up into the air and flew off. She flew as fast as she thought of what would become of her brother and sister.

End of Nalica

Raven sat up straight and screamed Shadow. She was back in the cave and the beast boy was sucking his thumb. Still, that didn't surprise her.

"Hey, why did you shout Shadow? Is he a person or something?" Beast Boy asked half asleep.

"Just a nightmare." Raven whispered to herself.

"Hey! *yawn* What time is it?"

"According to the sun it's about 6:30 or something like that. I'm going to get up anyway, you should anyway."

"Yeah, I better get up too. Do you want to talk about it?"

"Later, not now."

Back in Nalica

“Why did you come back?” Shadow yelled. His hands were glowing blue and his hood was up over his head.

“For the last time, don’t you see it. Surely someone like you should have realised this by now that Raven sent me here.” Ash Replied. Her hands were also glowing gold and her hood was up over her head.

“She wouldn’t of. She doesn’t want you and neither do I.”

“Oh but she did. You see, her emotions were getting out of control while she was on earth because some nitwit was bothering her all the time. So one day when she was meditating there she sent me into her mind because I remind her of anger. Then one day I escaped her mind. Does that clear things up for you.” Then they both flew up into the air, their hands still glowing.

“I can’t believe I’m related to you. You are nothing like me and Raven.”

“But I’m so like Mum, and so is Raven.” Then Shadow picked up a lump of earth and hurtled it at Ash. Suddenly Ash stopped the lump of earth and flung it at Shadow. Ash flung the piece of earth hard at Shadow that it knocked him to the ground. “You don’t look as tough as I thought. Well it has been a long time since we’ve seen each other. Tell me how long has it been, three years, four maybe. Doesn’t matter because I’ve gotten stronger and you’ve gotten weaker.” Yelled Ash as she began to fly over. Then she held her hand up to Shadow’s face, still glowing. “Nice knowing you.”

Please ignore the ‘Chapter 4-Dream’. I can’t get rid of it L

5 - Going Back!

Chapter 5 - Going BackChapter 5 - Going Back!

“Ok!Let’s go through this one more time. You’re telling me that the girl backthere, Ash, is your sister and this person I’ve never even heard of called Shadowis your brother.” Beast Boy said. He and Raven where sitting deep inside thecave on the ice cold floor.

“Yes.” Raven mumbled. She wasstaring at her feet not wanting to talk, but she knew she couldn’t keep this asecret for much longer.

“So now we have to go back to yourhome called Azarath to see your brother Shadow andmake sure he’s ok because Ash has come back from this place I forgot.”

“Yes.” Then Raven got up, put herhood over her head and started to walk deeper inside the cave.

“Hey! Where are you going?” AskedBeast Boy and he started to get up from his seat to.

“She may be able to keep me frommeditating, but that doesn’t mean I can’t do the impossible.”

“Which is...?”

“You’ll see.” Then she walked ofinto the dark. Beast Boy, by then wascompletely and utterly confused.

“Man she makes my head spin!” BeastBoy yelled as it echoed throughout the cave. Suddenly he covered his hands overhis mouth hoping Raven didn’t hear.

Backwhere the rest of the Titans were

“Foundher!” Whispered Ash and suddenly she sank into the floor.

“Oh, I wish to no that are friendsare ok now. I feel that I have eaten butterflies for them.”

Starfireasked.

“Cyborg have you found a way out of here yet.” Robin asked.

“No not yet. It’s like we’re in adifferent dimension here or something.” CyborgReplied. “I can’t even get Raven’s or BB’s locatorsignal.

“But we must discover a way outbefore that girl shows up again.” Starfire yelled.

Backat the cave

Ravenwas carrying a spell book under her arm and a large jar of what looked likeblue dust.

“Beast Boy, sit here and stay thereuntil I’m finished.” She said very firmly. Then she opened her book and the lid to the jar and started sprinklingthe dust around Beast Boy.

“Ummm, areyou nearly done, because I’m getting kinda bored.” Beast Boy asked.

“I’m done.” She replied and she satdown opposite Beast Boy. “Ok, close your and open them when I tell you to. Azarath Metrion Zinthos...Carazon Rakashas Endere...Vaserix Endrien Azarath...Azarath, Azarath!

(Godit took me forever to find this spell thing on the internet.)

“BeastBoy...Beast Boy, open your eyes.....we’re here”

YES! Finally updated it (updated on sep 9th) Hope you all liked it coz it took me forever so you better love me for this!

6 - Searching

Chapter 6 - Searching

Beast boy slowly sat up and looked around. There were spectacular buildings towering over him He still wasn't sure why Raven wanted to see her brother, but he was positive there was a good explanation.

"Wow! This place is awesome! I can't believe you're never shown umm Azarath to us before. It's really cool here." Beast Boy said as he stood up.

"Come on, we have lots to do." Raven said as she started to walk of without Beast Boy.

"Hey! Wait! I do not want to get lost here, and it was bad enough being on Starfire's planet, Tamaram because I couldn't work out what was what!"

After hours of walking, Beast Boy was practically crawly on his knees, but Raven could continue walking forever.

"Are we there yet?!" Beast Boy asked as he was dragging himself along the ground.

"Almost. You see that building over there" Raven said, pointing to a huge building in the distance. "Well that's where we need to go."

"But...that's ages away and I'm starving."

Back with the Titans.

"Hey Robin, I just got a locator signal from Raven's and BB's communicator." Cyborg yelled

"Good where are they?" Robin asked.

"Oh yes! I am dying to no where our friends are now please." Shouted Starfire as she flew up into the air, but she flew up to high and hit her head on the roof, hard. "Owww!" She squealed

"Ok, they are moving quite slow but there walking away from us and I can't get a proper signal which means I can't talk to them." Cyborg said, disappointed.

“Well keep trying. They will need all the help they can get.”

At the cave

Everything was quiet, outside the cave the birds were singing and the trees were blowing in the wind when all of a sudden Ash was standing at the entrance.

“Darn, mist her. Oh well, it's time anyway...to get what I want.”

Back in Azarath

“Beast Boy, we're here you can stop dragging yourself along the floor now.” Raven told Beast Boy as he was lying on floor moving like a worm.

“Oh I swear, I'll prefer to jump off anyone of these buildings if I have to take another step.” He said as he got up slowly.

“Come on.” Raven said rolling her eyes as she flew up into the air. Beast Boy looked up at Raven very confused.

“Hey Raven, why don't we just take the stairs?” Beast Boy asked.

“I thought you said you never wanted to take another step in your life. Come on, and be really quite.” Then Beast Boy morphed into a hawk and flew up along side the building.

When they finally got to the top, Raven walked along the balcony towards a window.

“Come on.” Raven whispered. She slid the window open and crept inside

“Shadow, are you here?” Whispered Raven as she looked around the room. It was a lovely room, there was a pot of lilies on a little glass coffee table in the middle of the room. The floor was made of marble with a creamy rug on it, and there was a swivel chair facing the wall at the other end of the room. Raven moved closer to the chair.

“Shadow is that you?”

“Why, hello Raven.” Raven moved the chair so she could see who it was but was shocked to find that it wasn't Shadow sitting on the chair, but Slade.

7 - Hidden

Chapter 7 – HiddenChapter 7 – Hidden

“No, no no no no! This is all wrong; you’re not supposed to be here.” Raven yelled. She stumbled backwards as the back of her knee hit the back of the coffee table.

“And neither are you.” Then all of a sudden the window slammed shut leaving Beast Boy outside.

Beast Boy ran towards Raven and Slade, slamming his fists on the window. He watched as Slade talked to Raven and Raven getting wound up by his words. He watched as Raven shook her head violently, like she didn’t want to take in Slade’s words.

“Raven!” He screamed. Why did he feel so helpless and so angry with himself? Why did he feel like he was trapped on the outside and small within?

“Leave me alone. I don’t know how you got in but I know how you’re getting out.” Raven shouted. She flew up into the air and flew towards Slade, ready to give him a full on blow to the chest. To Raven’s surprise; Slade grabbed her foot and tossed her out the room. She flew into the banister as fast as anything. Raven put her hand on her head, trying to get her focus back on what just happened.

“W-where’s Shadow...w-what did you do with him!” Raven screamed as she tried to get her balance back.

“Oh don’t worry; he’s perfectly fine with me. However for the mean time, you’re coming with me.”

“No! I’m never going with you.”

“Wannabe?!” Suddenly Ash flew up from behind her and punched Raven hard in the back which sent Raven crashing into the wall.

“Raven no! Get up!” Beast Boy shouted “Come on Beast boy...think!” Then he had an idea. He morphed into a bird and flew down the side of the building as fast as his little wings could carry him.

“Ash what are you doing?” Raven yelled.

“I’m working for Slade now so I can finally get what I deserve.” Ash yelled back.

“Why do you want it so much?” Suddenly Raven pulled a silver, heart shaped locket from her neck. “Is it because you want to control the whole of Ararath with it, or is it that you just want to get rid of the three gateway children so there will be no love on the world? If you have this it will be the end of the world!”

“Shut up! You know nothing about me. I know what will happen and I don’t care! I would rather be dead than have to live the way I do now. Knowing that you and Shadow are out there, making something of yourself while I stay inside a cooped up little room with nothing to do and nobody to talk to, nobody to love. You don’t know what it’s been like for me all those years!”

“I’m sorry it had to be like that but you wouldn’t accept the rules of our past, present and future so the monks of Azarath had to do something about it. That was your choice Ash, not mine. So for now this stays with me and always will do!” Then Raven put it in her cloak pocket.

“Now Ash!” Slade shouted.

Suddenly Ash flew up into the air, picked up a heavy book case with her powers and aimed it at the ceiling. Then all of a sudden a pile of rubble landed on top of Raven...and nothing!

Beast Boy flew down the side of the building as fast as he could. He had to get there in time. If not, who knows what might happen? When he reached the ground, he morphed back into his human self. He ran towards the stairs but then a type of force field stopped him from getting in. He took a few steps back and examined the wall.

"Oh Raven's gonna strangle me." Then suddenly he morphed into an elephant and charged into the wall.

"Ok correction, Raven's gonna kill me!" So he carried on running up the stairs towards where all the fighting and yelling was coming from. Sweat ran down his forehead, his legs felt like jelly, he knew what he was capable of but he didn't stop, not for anything. When he finally reached the top of the stairs he heard someone scream

"Oh no." He whispered. He ran toward a door where all the scream came from, he opened the door to find Slade, Ash and Raven. Suddenly Ash flew into the air...and then she picked up a book case...and then she threw it at the ceiling...and then some lumps of heavy concrete landed on top of Raven...and then...and then.....Nothing!

OOOOOOOOOOOOOOO so much suspense! Sorry it took me such a long time to update coz I have had a lot of homework and I've been really stuck for ideas. Sorry if I had a lot of typos coz I couldn't be bothered to proof read!!!
