Chapter 1 - in times before the pain

2

1 - in times before the pain

The pain I feel inside

Impossible to hide

It wasn't here before

Until you closed that door

In times without the rain

In times before the pain

The game you play is mad

It makes our world so sad

You'll never see my tears

You'll never know my fears

I never did complain in times before the pain

You promised me my dream

It never was redeemed

Cause everything was lies

It made me want to die

My love was not in vain

In times before the pain

My life now fades to black

It's never coming back

I'm wiping out my tears

I cannot feel my fears

One day we will meet again

In times before the pain...
