Chapter 1 - No Solution

2

1 - No Solution

No Solution

With discontent none could contain

Or prevent the falling rain

Bleeding through I knew I'd heard forsaken life's eternal cries

From out this barren wasteland lay

Redemption on its finest day

Longing for a chance to pay a price I knew I'd have to pay

Salvation from then on we seek

The havoc in which time will wreak

No comfort can ascend from misconception of divinity

The final chapter still proceeds

For what does closure truly mean?

A bitter way to greet the morning of an end we soon will meet
