1 - Rooms Painted Red

Rooms Painted Red

*No horror can surpass the misery of the day I saw her fall
White pallor, malevolent crime Sink in the waking
So Desolate. I can't recall for what it offered
With what intentions has my fate kept me here?
The Room is red
Evaded is my destiny in a helix of havoc and torment
Thought I could change the inevitable truth
But I realize it was arranged to be so
Blood on my hands
A vacant memory smoldering in deceit
Darkened, turn to the sky
Time was a periphery of remorse
Perpetual through the somber elegy
Reflected in a room with blood on the walls
I can see you bleeding. Shattered and dank
Adjacent the walls, a black shade. Curtains descending
I see red.*
