# 1 - Exequor ac Coactum Spero

*Exequor ac Coactum Spero*

*Encounter the descending staircase just to reach the endless night.*

*Grow weary as the ivy climbs the path I tried so hard to fight.*

*For every step I take the concrete cracks as I fall back two more.*

*And darkened figures beckon sleep to lay me down I do explore.*

*Time lost its lust as light grew near and night bid due for Faithless Ones.*

*Her bleak attempts to sanctify let fate decide Thy will be done.*

*Just as Hope appeared to me a perception that I'd never be,*

*She took my hand and closed my eyes and now I see what truly lies.*
