| Chapter 1 - ONE | 2 |
| Chapter 2 - Lord | 3 |

1 - ONE

They say he's a nightmare,
I don't believe it.
He's just doing what's best for us,
Don't you see it?
Of course you don't,
You're too close-minded.
You just believe what everyone tells you,
You're practically blinded!
Oh, no no, you're ignorant by far.
Mother wasn't wrong,
It's your fault! You caused this war!
And now you bleed for your purpose.
That's dumb.
He's given a warning, you just didn't hear it.
Your senses have gone numb.
Merely his presence strikes fear in one's very eye.
Ignore our actions again.....
Ha! And you die!

2 - Lord

I will bow and praise a Lord,
One who carries a mighty sword.
One who pleases, one that's calm
One who never does anything wrong.
He's a God, surely you knew!
Striking perfectly on cue,
He's like an angel, fallen from the skies.
He has beautiful, glistening eyes,
Bold and gorgeous, they may be,
But look harder and then you'll see
His mighty power and hatred for all
That disobey his mighty call.
No one pray I knows his objectives
Because he's always so cool and collective.
But Mother, she always knows
Just how powerful her children have grown.
Even if she's not here,
She'll continue to watch, year after year.
