..... Uh, well, I dunno what to think about this... I was up at about 1:00-2:00 a.m typing this and I was tired as hell. I'm thinking about deleting it, but I want to know what you think first.

Chapter 1 - One More

1 - One More

One More

I know what you may think.

I mean, it's only one more.

One more drink before you leave.

One more kiss goodnight.

One more hug to give.

One more letter to write.

One more song to give.

It's only one more, what can it do?

One more tear to weep.

One more insult.

One more scream to shout.

One more hit to make.

One more hit to take.

One more puff to inhale.

One more thought.

One more time, I think about what "one more" can do.

I'm only one more step away from insanity, and one more second away to end it all.

One more bullet, one more night.

One more glance, one more memory to remember.

Every time you do something, it adds up. One more will be added to the last, and before you know it, you'll be in way too deep to get out. One more can hurt a lot.

Remember, one is all it takes.
