Chapter 1 - Just Dont

2

1 - Just Dont

Forgetting about your problems is easy, but running from them isn't.

Don't complain to me, because I won't listen.

Don't criticize or you'll get slapped.

Don't point fingers or you'll get more pointing back.

Don't forget about the poor.

Don't forget we're all the same.

Don't go preaching words you'll turn your back on when you think God isn't looking.

Don't tell me I'm a sinner when you're definitely not a Saint.

Don't blame us when you know it's your fault too.

Screaming at them is easy.

Beat them up because their color is a problem.

Oh, but don't forget to say a prayer afterwards!

Don't listen to us, we're not as smart as you.

Don't care about us, its not worth it.

Don't hate them because they need you.

Don't go preaching words you'll turn your back on when you think God isn't looking. Don t tell me I'm a sinner when you're definitely not a saint.

Don't blame us when you know it's your fault too.

Don't lie because it's another I won't believe.

Don't forget about the poor...

Don't forget we're all the same.
