I wrote this last night because I was in a happy mood and I was thinking of a smile. Enjoy! ^__^

A SMILE

When I see you smile it stays with me for a while.
When you cry I will make your problems go vastly by.
Instead of just crying, let s go flying. Let s fly far away and tell our problems to stay.
Let s sail between the stars, past Mercury and Mars.
Let s smile and stay for more than a while.
Your smile makes the darkness in my heart disappear, and I smile from ear to ear.
Let s run together through fields of Heather.
Let s swim in the ocean blue, and then watch the sunset in a sky of pink hue.
Let s run into the storm, and then sit by a fire to warm.
Let s smile for a while.
But if you re not ready to fly, tell me why.
Please don t cry.
I ll chase you fears away, and throw them into the fire where the ashes lay.
I ll be the friend you always call on, and I ll give you a shoulder to bawl on.
But is there a secret you keep from me?
Can I ever set you free?
Does my smile stay with you for a while? Or does your heart burn it into an ash pile?
Just tell me why you cry?
Come on, let s into the night fly.
