Chapter 0 - Torn Apart

0 - Torn Apart

The problems began to hone, and now you're left alone.

Everyone is crying, my heart is now dieing.

Why did it come to this?

Can't problems be helped by the love in a kiss?

We can't let our problems above us rise.

But did you stare too long and lose sight of the prize?

This day, we've run away, we won't stay.

But so hard I pray, you hear the voice in your heart, that says to mend the things torn apart.

Everyday for me is hard, bur harder for you.

Just know that everyone is here you help you.

And I will be too. [/color]
