Chapter 1 - Sk8er Boi

2

1 - Sk8er Boi

He was a boy, she was a girl Can I make it anymore obvious?

Odd! Can you be any more obnoxious? Ulrich yelled. Though Odd had changed a bit, he was still his old annoying roommate. They were in high school now. And (finally) The two couples with crushes back in junior high were dating. But Odd was still alone. And punkier than ever. And had more chances to be annoying wiggling around one piercing after another. The spot in his hair had turned navy blue with a black outline. His style similar, but the colors matching the color blotch in his hair. His clothes had only gotten baggier.

He was a punk,

You re doing ballet now Sissi? Odd overheard one of Sissi s new prep friends saying. Why yes, of course! Sissi responded. I say, If you got it, flaunt it, and honey, there s no better way to flaunt than in a tutu and tights!

she did ballet What more can I say?

Odd? Why are you staring at Sissi like that? asked a curious Aelita. No way! Ulrich shouted seeing the look in his friend s eyes. You can t! You like Sissi, don t you?! accused Ulrich. Odd stopped staring at Sissi and blushed. No! Odd argued weakly. Yumi bursted out in laughter. Aelita s eyes grew wide.

You do like her! I recognize that puppy dog stare! Aelita responded, Jeremie blushed, knowing she probably recognized it from him. Alright! Fine! You caught me! I like her, okay! Sheez! Odd said. Now that s something I thought I d never hear Odd say. Jeremie said, his blush nearly gone. Aw, shut up! Why don t you just go make out with Aelita somewhere and get off my back! That should keep you tied up for a while! Odd replied. Jeremie blushed crimson, as Aelita did the same. Yumi s laugh that had previously died down to a giggle started up again, as Ulrich laughed along with her. This was going to be a long day&

He wanted her,

Sissi! Why do you keep looking over at that freak? Another of Sissi s new prep friends asked. Um& Sissi s cheeks tinted pink. I was just making sure that Odd kid was staying at that table, I m pretty sure he likes me, and I was making sure he wasn t going to try and make a move& Sissi lied. Oh really. Is that the case? Her new best friend, Raven, asked. Or is it the possibility that you want him to make a move? she pestered. EEEEEEEWW! Sissi s high pitched squeal filled the cafeteria. No way! she retorted. Sure. Whatever. Raven said, but she could see her friend felt otherwise.

she'd never tell secretly she wanted him as well.

Uck! Sissi! Seriously! He is **Such** a low-life. And look at what he s wearing! He could fit all of Paris in those gay looking pants! another one of Sissi s stuck-up friends said. Totally. But can we make it Antarctica? A. I don t want to be stuck in his pants- and B. It d be funny to see him do a dance because his butt was freezing! Pattie laughed. Ha ha. Yeah, that would be funny! Sissi laughed unsure of what she was saying.

But all of her friends stuck up there nose they had a problem with his baggy clothes.

Sissi and her friends were laughing as they passed Odd, Ulrich, Yumi, Jeremie, and Aelita. Ulrich had noted what they were saying and asked What s so funny? Nothing much, Ulrich dear. At that Yumi was about to pounce. Sissi knew Ulrich was hers, yet she still called him that ridiculous nickname.

Ulrich Dear made her want to barf. Ulrich saw Yumi was angry and took her hand so she couldn t kill Sissi- that would require two hands. Yumi calmed down a bit after he did this. Whatever. Lets go guys. Ulrich said, leaving before there was a chance for this to get any uglier. Later Ulrich Dear! Sissi said, trying to be nice. Later freaks. She said coldly to the rest of the gang.

He was a skater boy, she said see ya later boy he wasn't good enough for her

Sissi hit her head on her desk. Her father was going to kill her. She d just cute her way out as usual. She looked back up at the paper with a big red F and a frowie face.

She had a pretty face, but her head was up in space she needed to come back down to earth.

Sissi sat in a recliner, feeding her new little baby, Hana. Anna has a bottle in her mouth sucking away. Suck. Yes, this does suck. You re absolutely right, Hana. Sissi thought. Being a single mother wasn t easy.

five years from now, she sits at home feeding the baby she's all alone

She sits Hana in her stroller next to the chair she was sitting in. Hana still has the bottle in her mouth chewing on it. She grabbed the remote from the end table next to her chair. She turns the TV on. She doesn t believe what she sees. It s Odd! He s playing his guitar, very well.

she turns on TV guess who she sees skater boy rockin' up MTV.

They ll never believe this! Sissi thought to herself. She called up Raven. She hadn t spoken to her since a month after graduation. Raven! You ll never believe this! Odd Della Robbia! He s on MTV right now! Sissi said excitedly into the phone. Oh& you know? You already have tickets to his concert? Oh, okay& You wouldn t by chance have an extra would you? & Really?! No wonder you were my best friend! Thanks. I ll be there! Sissi hung up the phone and called the babysitter& what a night this would be&

she calls up her friends, they already know and they've all got tickets to see his show

Wow. Sissi thought looking up at Odd.

she tags along and stands in the crowd looks up at the man that she turned down.

Look what I could ve had& she thought sadly. If only I would have known&

He was a skater boy, she said see ya later boy he wasn't good enough for her now he's a super star slamin' on his guitar does your pretty face see what he's worth?

A girl came up on stage. Sam. She came graduation year. She waited till the end of the song being played, then announced the end of the concert, and **their engagement?!** She had officially lost him & *sorry girl but you missed out well tuff luck that boys mine now we are more than just good friends this is how the story ends too bad that you couldn't see see that man that boy could be there is more that meets the eye I see the soul that is inside He's just a boy, and I m just a girl can I make it anymore obvious? we are in love, haven't you heard how we rock each others world I'm with the skater boy, I said see ya later boy*

She gave him a sweet kiss on the cheek and walked backstage.
I ll be back stage after the show

She was coming out with her first single- Sk8er boi. It showed on the TV Sissi was watching once again. TRL was useful. They had a clip of her at the studio singing. The words you could hear were- sorry girl but you missed out, well tuff luck that boys mine now, we are more than just good friends, this is how the story ends, too bad that you couldn't see, see that man that boy could be, there is more that meets the eye, I see the soul that is inside, He's just a boy, and I m just a girl, can I make it anymore obvious? we are in love, haven't you heard, how we rock each others world! Then it flashed back to what it was normally. The television announced that Odd had helped her write that song. Sissi had to turn the TV off. The harshness of reality hit her. She had lost him &
I ll be at a studio singing the song we wrote about a girl you used to know

A/N: Hi! Okay, first off, I ll have you know that I m not the biggest fan of the SissiOdd pairing. I just had an inspiration to write this. It s most likely the only SissiOdd story you ll find from me. This is only implied. Like a what could ve been kind of thing. Tell me what you think. Hope you liked it. REMEMBER TO REVIEW!!
