Chapter 1 - Forsaken

2

1 - Forsaken

Together we stand
Against all odds.
The world we have created
Has been corrupted and bound.
Humans care for nothing
Except killing and torture.
They may say what they want
But it still doesn't matter.
But not us.
This puppet.
This host.
Tied together by our endless love.
Our friends have abandoned us.
The world has rejected our existence.
In this new world
We will live together forever.
But time is limited.
Our day has come.
The humans have found us.
There is no escape.
We stand our ground here to the end.
And we will die in each others arms.
We are forsaken.
Nobody will control us.
We are the gods of our world.
We will live on forever
