1 - Eatin' some cake

One cloudy afternoon in the house of Luna the Hedgehog, she and her best friend, Zakk the Deviant, are writing lyrics for their band, LunarEclipse.

"Mmmm, what about a song about roses." Zakk suggested.

"No, that seems to cheesy. What about a song about loneliness?" Luna said.

"Too depressing."

"Well we ARE a heavy metal band."

"That doesn't mean we HAVE to write depressing songs."

"Your're right. What about... UGH! I need a break."

"Yeah me too."

"Do you want some cake?"

"What kind is it?"

"Chocolate with vanilla icing."

"HELL YEAH I want some cake." Luna giggled and got them both a piece.

"This is delicious!" Zakk said.

"Heh, thanks. I made it myself." Luna said while blushing.

"You got any ice cream?"

"I got mint."

"Eh, nevermind then."

"Heh,heh."

"I'm full anyway."

"Here, let me take your plate." Luna and Zakk headed back to Luna's room. They sat on her bed and continued writing lyrics.

"Hey Zakk." Luna said.

"What?" Zakk asked.

"How's your girlfriend doing?"

"Oh... uh... sh-she's fine."

"What's she been up to?"

"Why are you asking me all of a sudden?"

"Inspiration. Now speak."

"We-Well she's.... um..."

"Not real?"

"WHAT!? Th-that's insane. She's as real as the moon and the sun."

"Oh really? What was her name again?"

"Uh.... um.... mi...su.....de?"

"Misude?"

"Y-yeah. She's.... uh.... Japanese..."

"Hmm, that's odd, I don't recall you ever owning a computer."

"I-I...I...uh...use my...neighbor's."

"What's his name?"

"Uh... Ted..."

"HA! That was a trick question! Your neighbor's a chick! And her name is Madeleine and she's 98 years old."

"So!?"

"Old people don't use the internet!"

"SHUT UP!" Zakk got up and ran out the door.

2 - Last Chapter, wow...REALLY?

Luna went after Zakk.

"Zakk wait!" she shouted.

"Go away!" he shouted.

"What did I do?"

"Just leave me alone." Zakk sat in a closet.

"Zakk, c'mon. Get out of the closet." Luna said.

"No!" Zakk shouted.

"Well if you won't come out, I'll come in!" Luna went in the closet.

"Luna get out." Zakk said.

"Not until you tell me what's wrong." Luna said.

"It's too embarrassing."

"C'mon you can tell me anything. You know that."

"Okay. The truth is... I don't have a girlfriend. I've never had any luck with chicks."

"Aw, I'm sorry."

"Don't be. I wouldn't bothered you if you had a fake boyfriend."

"Why did you fake having a girlfriend?"

"I didn't want anyone to think I was available."

"Why?"

"Well, I have someone I've been wanting to ask out on a date."

"Oh really? Who?"

"Eh.... y.....ou...."

"What?"

"Y...ou.."

"Who?"

"You..."

"W-wha- ME?"

"Y-yeah..."

"What's so special about me?"

"Everything! I mean, you're smart, beautiful, and.... you make me feel... good about myself. Even when I act like an asshole, you're always nice to me."

"Well you treat me kindly, you never gave me a reason to be rude. And I've always kinda liked you too. You're... kinda... sexy." Zakk started blushing deep red.

"W-well you're kinda sexy too. You're just so hot!" Zakk said

"Heh, well I try." Luna said.

"So... what do we do now?"

"Mmmm. You wanna go make out on my bed."

"HELL YEAH!" So they went back to Luna's room and made out.
