"Forgotten"

She roams the alleys alone
Because she has no home

She doesn't know what to do
There's no way she'll make it through

She's just forgotten
With no place left to go
No place to call her own

She's just forgotten
With no one left to love her
Forgotten
No one left to hold her
Forgotten
No one to show her the way

She's just forgotten
Forgotten
Forgotten....
