Chapter 1 - CLOUDS

1 - CLOUDS

Clouds

High above the world below,
Celestial beings dance gracefully slow
In and out, and all about
They dance across the sky
From their heavenly perch
They move around in search
And dream of some mortal man
As they sleep upon the sand
They talk with God
While lying on the sod
Whispering in his ear
Praises that he longs to hear
As we sit here on the sand
We can hear the heavenly band
Play a song of love
That rides as a dove
So to you I kiss goodbye
Until we meet in the sky
