1 - Leaving

A/N: ' thoughts' or writing

Titles or Inners: (Sakura and Tobi mostly)

It is a beautiful day in Kohona, birds are singing, all is calm, except for in the Hokage Tower, where an argument is stirring between 2 angered Anbu and Tsunade-sama, the Hokage herself.

' But Tsunade-shishou! ' exclaimed the female.

' You can't! '

' Enough Sakura! ' yelled Tsunade slamming her fists on her desk effective breaking it.

' I am demoting Sakuya-hime-san of her ninja titles, its just gotten to hard for her...' Tsunade said softly, while rubbing her temples.

' Hn. ' the first male said.

' Shut it Sasuke! ' Sakura yelled.

' Yah, TEME this is serious! Sakuya-Chan is our friend! ' screamed the second male quite loudly.

' Hn. Shes weak. She wasnt meant to be a ninja.'

About this time a female with long dark purple hair with black streaks and midnight-black cat ears and matching tail came in.

She was wearing medic-nin attire and was in a wheelchair.

' Ahh, Sakuya-san just the woman I wanted to see...' said the female Sanin with a sad, but stern, look on her face.

' Y--Yes Tsu--Tsunade-S-Sama.' The shy female said as she bowed.

' Naruto-san, Sakura-Chan, U--Uchiha-S--Sama.' She greeted.

' SAKUYA-CHAAAAAAAANNNNNNNN!!!!!! ' Naruto screeched as he cried anime tears and ran to her and captured her in a death-bear hug.

Sakura ran over and threw him through the wall before she passed out from lack of air.

' ENOUGH!! ' The Godaime exclaimed, having been fed up with foolish actions today.

Sakura took her place on the other side of Naruto, and Naruto got up and took his place next to the Uchiha prodigy.

' Now. Sakuya, do you know why you're here?' Sakuya nodded sadly with a fake smile that would've made Sai jump with glee.

Tsunade smiled with distaste, as she pulled out a blue and gold scroll that said, **Sakuya Kobayashi** on the front when she unrolled it, it read: *Gender: Female, Age: 15, Rank: Special Jounin (medic), Team: 18, Village: Moonlight, Residing In: Kohonagurke, Clan: Legendary Kobayashi, Main Techniques: Genjustu, Weakness: Disabled, Heart Failure, Curse Mark, Fear of Blood, Fear of Snakes, Container of the ' Shi Kita.*

When she finished reading the scroll, she swiftly crossed out the rank and team rolled it up and wrote, DEMOTED above her name.

She handed Sakuya the scroll with hesitant hands and watched her exit from the room.

Tsunade sighed as she watched Sakura run out the room to comfort the timid heiress, Naruto went to train to relief his stress, and Sasuke smirk with sickening joy.

Sakuya removed herself from her wheelchair and grimaced in pain as she landed on her knees.

She pulled herself into a sitting position, put her head down and hugged her knees.

She looked up with teary eyes when she heard the door open and put a fake smile on It was Sakura, she came over and set by her and smiled a sad smile, but her eyes told that she was angry.

' S---Sak--Sakura-Chan...' the young Kobayashi heiress stuttered.

' Hime-san...Gomenasai..I---' she started but was cut off.

' No.' Sakuya's voice was firm, but her actions said otherwise, she was looking at her knees and playing with a strand of her hair.

' It was my own fault, I havent been sleeping much because of the nightmares and U--Uchiha-S---Sama coming back h--hasnt faired m--me w---well.

Sakura looked at her, taken aback.

' Thats the first time shes ever stood up for herself! Well, at least around us.'

Inner Sakura: O.o Yah! Wow!

Just then, Sakura's eyes widened and she started smirking.

' Hey Sakuyaaaaaaaaaaaa.....' She said in a sweet sour voice.

Sakuya looked up and immediately got suspicious.

' Sakura-C--Chan....??

' We're leaving Kohona at dawn with Hinata-san.'

The hieress's eyes widened but then smiled a fake smile and nodded.

' Hai, demo what about Hina-san? What if she doesnt want to--'

' She will Hime-Sama.'

Sakura smiled and gave the girl a reassuring hug.

' Now. Lets get you in that chair and go to your Manor and pack.'

Sakura helped her in the chair, and they walked to the Kobayashi Manor.

Halfway to the Manor, Sakuya got curious.

' Sakura-san?' she asked.

' Yeah?'

' Why are we going to the Manor?'

' What do you mean?' Sakura asked dumbfounded.

' Isnt that where you live?'

' Yes, but dont you have to pack?'

' Nope! ' Sakura smirked happily.

' Nani?'

' I was going to leave for R.O.O.T to live with Sai, anyway.' she shrugged.

Sakuya nodded as they appeared at the front gate.

The guards opened the gates for them as a man no more of 25 appeared to greet them.

He had white pants and a robe-like shirt on.

Coal black stoic eyes leered as white cat-ears stood on his white hair.

' M--Matashi-san.' Sakuya greeted as she bowed.

' My Lady. ' the man greeted as he nodded, then turned to Sakura and eyed her questioningly.

' Haruno Sakura.' Sakura answered firmly.

Matashi nodded to Sakura and let them pass.

But little did they know, they were being watched by 6 people in the shadows, 4 of which were VERY bloodthirsty.

As they entered the Manor, Sakura was frozen in awe.

The floor was bleach white quartz, there were mahogany staircases that seem to stretch on for miles, violet, lavender and gray draperies, one LARGE painting that had 3 people standing together 1 of the three looked like a very young Sakuya.

Then it hit her.

Sakuya's mother and father!

Her mother had mid-length black-brown hair and beautiful hazel-green eyes.

Her father had shoulder-length spiky grayish-blue hair and silver-gray eyes with no pupils.

Sakura looked at Sakuya to see her eyes glazed over with a far away look in them while looking at the painting.

Sakuya looked at Sakura with a sad broken smile.

' I--I dont remember much of them, m---my only memory of my parents is when they were m---murdered..' she looked down.

She started shaking and her fists were tightening until she drew blood with her claws.She looked at her hands and started shaking uncontrollably.

' Blood?' she whispered.

' Sakuya! ' Sakura yelled scared.

She knew what came after that.

Shi Kita.

Not a second later, Matashi appeared and grabbed her wrists.

Sakuya's head was hanging down.

' Sakuya.' Matashi said sternly.

Sakuya slowly lifted her head and looked at Sakura through her bangs with glowing red eyes but they flashed back to normal and Sakuya sat up.

' G---Gomen---Gomenasai..' Sakuya whispered.

' I--I--Im fine, Matashi-san.'

' A--Arigatou.'

' M---Matashi-san??'

' Hn?'

Sakura and Sakuya both cringed.

' Sasuke.'

They thought.

' C---Can you h--help me u---up the st--stairs?' she was blushing five different shades of red.

' Hn.' he smirked as he picked her up bridal-style.

' M--Matashi-s--san!!! ' Sakuya squeaked.

' I--I--I asked y--you t--to help m---me! '

' I am My Lady.' Matashi said coolly.

Sakura was behind them laughing her head off.

When they were in her room he decided to toy with her a little.

He gently laid her on the bed on her back and leaned over to her ear where his hot breath tickled her neck and whispered, ' You're welcome My Lady.'

If it was even possible she turned even redder.

Sakura was on the floor laughing holding her ribs and gasping for air.

' S--Sakura-C--Chan!!!! ' she stuttered.

' I--It's n--n--NOT f--fun--funny!!! '

When they calmed down, they started packing necessities for Sakuya for the long trip.

They packed 15 different royal kimonos, ninja attire, weapons, medical supplies, jewelry, and money.

1 hour later, they were ready, Matashi helped the heiress down the stairs, and they went to the kitchen to get a snack to start their trip.

They were heading out the door away from the Kobayashi Manor to pick up the Hyuuga girl.

' Sakura-Chan?'

' Hm?'

' Arigato...'

' H--Hai, Hime-san.'

The pink-haired kunoichi looked at her cat-ninja friend and smiled, then rang the doorbell to the Hyuuga household.

The door opened slowly as an elderly servant appeared.Sakura looked thoughtfully at the man, and said ' Hinata-san, please.'

He nodded to both kunoichi, and summoned a young girl, she bowed and scattered to get the violet-eyed teen.

The young maid came back with Hinata in tow.

Hinata was carrying a black medium-sized ninja bag bulging out the ends with who-knows-what.

The maid and the elderly man bowed as the three of them made their way to the gates.

The air was tense as they got closer to the gates.

They were only a few inches from the gates when they stopped.

Dead silence.

Sakura spoke up.

' We have to do this.'

' Hai.'

They quickly walked out to not get caught by the guards.

When they were far enough not to be in sight, Sakura stopped and turned half-way around, looked back and flipped off the village.

A/N: words: demo=but, Gomen/Gomenasai=sorry/very sorry/forgive me, Hai=yes/okay,

2 - Enter: Ayame Fuuka

Recap: The air was tense as they got closer to the gates.

They were only a few inches from the gates when they stopped.

Dead silence.

Sakura spoke up.

' We have to do this.'

' Hai.'

They quickly walked out to not get caught by the guards.

When they were far enough not to be in sight, Sakura stopped and turned half-way around, looked back and flipped off the village.

The girls had been traveling for three days and still had no idea of where they were going to go.

' How about R.O.O.T??' The pink-haired medic suggested for the millionth time.

' Sakura-Chan, if you love Sai sooo much, why dont you marry him, HUH??' Hinata teased.

At this, Sakura blushed.

'H--Hey! I--I dont I--love that b--baka!! ' She stuttered and crossed her arms defensively.

Hinata giggled.

' But, you do like him '

' I--I DO NOT! ' The high-tempered kunoichi yelled.

' Sakuya, back me up on this, I--'

' Sakuya?'

They both said in unison.

The neko-heiress's attention was directed straight ahead.

The two knew something was wrong, and immediately got into their fighting stances.

' Someone's been following us' Sakuya spoke.

The air was tense.

'Come out now, there's no use in hiding!' Sakura warned.

Just then, a blue flash of light dashed to Sakuya and knocked her a few feet back, wheelchair, and all.

' Hime-san!' Hinata and Sakura yelled, as they ran over to help her.

They found Sakuya laying on the ground, smiling a fake smile, with a teen with baby blue eyes, and matching shoulder-length hair, over her.

' A--Ayame-san?' she asked surprised.

' Its been too long, Sakuya' The girl said, while grinning sheepishly.

3 - Tobi and Sakuya?!?!

'Sorry for the scare guys...' Ayame said while rubbing the back of her head and grinning.

' Hey, dont worry about it! Ya know you look exactly like Naruto when you do that ' Sakura pointed out.

' Is....that a good thing?'

' Eh, sometimes'

They all started laughing.

' Oh! Hey Sakuya, what ever happened to that love song you were gonna sing at Kaya's wedding??' Ayame asked.

' I still have it, why?'

Sakura and Hinata looked at Sakuya quizzicly.

' Love song?'

' Ooh, we wanna hear it!' They started jumping up and down like school-girls over a new boy band. Sakuya nodded and started to sing:

I still hear your voice, when you sleep next to me. I still feel your touch in my dreams.
Forgive me my weakness, but I don't know why
Without you it's hard to survive.

'Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I could fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.
'Cause everytime we touch, I feel the static.
And everytime we kiss, I reach for the sky
Can't you hear my heart beat so...I can't let you go.
Want you in my life. Your arms are my castle, your heart is my sky.
They wipe away tears that I cry.
The good and the bad times, we've been through them all.
You make me rise when I fall.
'Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I could fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side. 'Cause everytime we touch, I feel the static.
And everytime we kiss, I reach for the sky.
Can't you hear my heart beat so...I can't let you go.
Want you in my life.
'Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I could fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.

' Wow, Hime-san! That was AWESOME!! ' Sakura cheered.

Hinata and Ayame nodded and smiled in agreement. ' A--Arigato..' She stuttered and blushed slightly.

Ayame chuckled.

' Same old Sakuya' Sakuya stuck her tongue out.

The girls were walking to a nearby village to rest, talking about boys and missions, when they heard an explosion not far away.

Sakuya yelped and covered her ears, her eyes sealed shut, her whole body quivering.

' Sakuya-Chan! ' The three others ran to help her when, suddenly they saw red clouds.

' Akatsuki! '

They thought.

They appeared in a flash and out of nowhere: Itachi Uchiha, Kisame Hoshigake, Deidara, Konan , Tobi, and.....Sasori?

' Hey wait a minute! I thought I killed you?! ' Sakura growled.

' Eyes can be deceiving, Pinky ' Sasori smirked.

' Why, you!-- ' Sakura was ready to attack, but Hinata stopped her.

' Sakura... ' Hinata calmed her friend and looked toward Sakuya, who was now coughing up blood with Ayame aiding at her side.

Ayame looked up at the two with a worried expression.

' Its too dangerous...we're out numbered....'

' No.' It was Sakuya.

' Help me up, Ayame...'

' But Sakuya, I--'

' Ayame please...' Sakuya looked at her friend with pleading eyes.

Ayame nodded and helped her friend over to the others.

Tobi walked slowly over to the kunoichi and stopped in front of the neko heiress.

She smiled as her eyes were brimming with tears and traced his mask markings with her fragile fingers.

The rest of the Akatsuki and the girls were in total shock.

THEY KNEW EACHOTHER?!?

Tobi gently brushed over her fingers with his masculine hand.

' Tobi-san, I--' Sakuya started, but then became overwhelmed by darkness.

She started to fall but he picked her up bridal-style and motioned for all to follow.

4 - Spin the Bottle and Sharingan

Recap: Tobi walked slowly over to the kunoichi and stopped in front of the neko heiress.

She smiled as her eyes were brimming with tears and traced his mask markings with her fragile fingers.

The rest of the Akatsuki and the girls were in total shock.

THEY KNEW EACHOTHER?!?

Tobi gently brushed over her fingers with his masculine hand.

' Tobi-san, I--' Sakuya started, but then became overwhelmed by darkness.

She started to fall but he picked her up bridal-style and motioned for all to follow.

They all looked at Tobi with confused expressions.

Where was he going?

Tobi was tightening his grip on Sakuya, while staring at her with a guilty look behind his mask.

There was an eerie silence as tension started to build.

After about 10 min. of walking, they got curious.

Sasori was the first to speak.

' Tobi, where are we going?'

No answer.

Itachi was next.

' Tobi, answer the question' The ebony-haired, missing-nin Uchiha demanded coldly.

No answer.

They all were getting annoyed at the missing-nin goofball's sudden quietness.

The elder Uchiha had had enough.

He reached over and grabbed Tobi's cloak collar, lifted him up, and threw him against a tree with Sakuya

still in his arms.

' Sakuya! ' Ayame, Sakura, and Hinata yelled in unison.

They tried to go after her, but an arm stopped them.

It was Deidara.

' My advice to you, would be to stay away from Itach-san, especially when he's mad ' He whispered.

His face was serious.

Meanwhile, A ways away,

Itachi was using the Tsukiyomi on Tobi for annoying him.

Sakuya was beneath his chest, still out of it.

What was with this girl?

Why was he protecting her?

With the girls and Akatsuki,

They were all waiting anxiously to see what happened, when they heard a high-pitched scream.

It was Sakuya.

' Hime-sama! '

The girls were getting worried now.

Sakuya was stirring, she slowly opened her eyes, and saw red clouds.

Confused, she looked upward toward the light, and saw Tobi looking down on her, with blood seeping through his mask.

She screamed.

Tobi shakily stood up off of her and sat her up.

The young heiress's eyes widened as she looked up into Itachi's eyes.

Suddenly there was fire everywhere burning huts to the ground and people were running with their families screaming.

None of them made it out alive except for one little girl which looked like a very young Sakuya.

She was crying and shaking harder and harder by the second and--

Itachi was cut off.

Sakuya had closed her eyes.

' Impossible! She tuned me out! 'The Sharingan master thought.

The rest of the Akatsuki and the kunoichi caught up with them.

' Sakuya! '

The girls rushed over to her, concerned.

She smiled and assured her friends she was fine.

Her gaze turned to Tobi, who was now huddled in a bloody ball.

Sakuya slowly pulled herself over to him, and sat in front of him.

She stretched him onto his back as her hand started to glow white.

His major wounds were healed though, he still had a few bruises and scratches.

-

After many hours of walking and complaining from Kisame and Deidara and extremely loud yelling from Konan, the dysfunctional group finally decided to stop and set up camp for the night.

Kisame was building the fire.

Ayame was getting the drinking water from a stream further out.

Sakura was talking about something to herself while wondering around stupidly.

Deidara and Sasori were setting up traps for enemy "invasions" as Deidara put it.

Itachi was meditating to relieve stress.

Konan was yelling because she couldn't find her hair brush.

Hinata was digging a trench with her kunai incase it rained.

And Sakuya was catching the fish.

Sakuya was gliding through the water, darting her claws in and out faster than lighting.

She was using her chakra to sit atop the water and catch the fish.

So far, she was up to 11, 15, 19, 25!

Ayame LOVED to eat fish.

With catching 37 fish, Sakuya was satisfied with her work and transported back to camp in a swirl of, baby's breath and lavender.

Within minutes of coming back to camp, Ayame had sniffed out the fish, and was now knee-deep in drool.

Kisame finished the fire and they all sat down to begin roasting their meal.

The shark-like man, however, growled in protest.

' ARE YOU SERIOUS!?!?!?'

' I CAN'T EAT THIS!!! ' Ayame who was next to him butted in.

' Look at the bright side...'

' You wont have to put up with any annoying relatives visiting you now ' she said as she smirked.

Konan burst out laughing.

He glared at her.

She brushed it off as nothing.

' You gonna eat that?'

' Why you little--' The swordsman started, but was cut off by a hand holding a container of 16 rice balls.

He looked up to see Sakuya.

' T--Take them' She was smiling kindly at him.

' Er, thanks..'

He took them, and within seconds, they were gone.

Itachi looked towards Sakuya's fish and the two of them were untouched.

'So, she's starving herself...'

He noted.

He looked at her face, which held fake happiness and behind that, was a pained broken expression.

It was now midnight and the girl's wanted to play Spin the Bottle, well, Hinata, Ayame, and Sakura anyway.

Konan was first.

Spinning. Spinning.

It landed on...Tobi.

Sakuya smirked.

' W--What?! ' Tobi stuttered.

Sakuya looked over to Tobi and mouthed...

' Good Luck, Love Dr.

'He sighed and took off his mask.

He had brown-spiked hair with sparkling chocolate brown eyes.

' You have two minutes! ' Sakura announced.

' And...GO! ' Konan gently leaned forward as did Tobi until they're lips met.

He was surprised.

This was actually nice.

Konan seemed to be enjoying it, too.

Before they knew it, the kiss was over and they reluctantly parted.

Hinata was next.

Spinning. Spinning.

It landed on...Deidara.

The blonde swallowed hard and turned away, trying to hide a blush.

The Hyuuga just sat there wide-eyed with a pale face.

She wasn't supposed to kiss anyone except Naruto!

She loved Naruto!

Sakuya looked over and automatically knew what the female Byakugan user was thinking.

Sakuya closed her eyes and a second later slowly opened them.

Sharingan.

She barley twitched a finger and Hinata's head snapped towards her.

Hinata activated her Byakugan.

With Sakuya and Hinata,

' H--Hyuuga-san, if you don't w--want to do this, you don't h--have to' The Kobayashi girl assured her friend.

' But, I want to.' The formerly shy, Hyuuga replied.

Sakuya nodded.

' I want to move on.' Hinata's voice was breaking.

'H--Hai, I understand Hina-C--Chan.'

Both girls fully returned back to their camp, and were now receiving mixed glances, from around the camp.

Deidara was staring, confused.

Tobi and Ayame were glancing, worried.

Sasori and Sakura looked annoyed.

Kisame just glared.

And Itachi's eyes were wide. ' Sharingan?! '

He was shocked, to say the least. No, this one's a different color, purple?

He noted.

-----'

' Helloooo???????' Sakura interrupted.

She was waving her hands in front of her face.

' Game?'

Everyone nodded and looked towards Hinata, who merely gave a weak smile.

She looked toward Sakuya who mouthed...

' You can do it! '

Hinata turned to Sakura who nodded.

'Two minutes! '

The Hyuuga heiress turned to Deidara and swallowed.

' And...GO! '

She had heard go, but her body wouldn't budge.

Sakuya sighed, she hated to do this.

She applied chakra to her hands and split it to go to her fingers.

She moved her hands forward, towards Hinata and chakra strings latched onto the Hyuuga's arms and legs.

As soon as Sakuya moved her hands backward Hinata went falling forward toward the blonde.

Out of impulse, Deidara caught her by the shoulders and pulled her into a passionate kiss.

She squeaked as her face went tomato red and her eyes went wide.

Deidara smirked as they pulled apart.

They all looked to Sakuya but she was gone.

So was Itachi.

Everybody went pale.

Without a word, they all shot toward Sakuya's chakra signature.
