Waiting for the Sun

As i look into the sun hiding behind the ocean  
a sad thought comes to my mind ...  
That you won't be able to rise again  
to illuminate my darkening sky.

Geez, without you i'm so lonely,  
we used to be so close  
even if we used to fight a lot  
at least i knew i wasn't alone.

What happened to us?  
When did things get so out of control?  
What did i do to make you go?  
Geez, i wish you were the sun

I see the moon pushing the sun away  
as the stars follow her around  
i picture you dying again  
Oh, if i only knew how to make you stay.

Now that the sun is gone  
the doggy moon is the one that shines  
i just still wish you were the sun  
at least i'll know you'll greet me with a smile.
