Chapter 1 - Nothing

2

1 - Nothing

It's too bad
You never saw
The truth
Right in front of your face

It's too bad
You never knew
What was really going on

It's too bad
You didn't live
You wouldn't live your life to it's extent

You find out today
That life isn't supposed to be taken lightly

You find out today
That you should have done something yesterday

You find out today...
You're too late

There is no tomorrow
There is no yesterday

Nothing, is anything, anymore
