**Chapter 1 - Chime of dawn**

**2**

# 1 - Chime of dawn

As I wait standing still in time

I here a noise like a soft gentle chime.

The noise I hear calls out to me

Like a soft whisper in my dream.

I wake to a new morning dawn

Knowing that the new day has begun.

My alarm clock rings so very loud

That it is hard to believe that that's my dream sound.

I turn it off and get out of bed

Only to know where yesterday led.

The day passes until it is gone

Only to find the next days gentle chime of dawn.
