It was a dark night in a forest near Traverse town as a girl ran down the trail her cloak floating behind her, her Keyblade glimmering in the moonlight.

`Damn it how am I supposed to find heartless at this time.' the girl thought as she continued running. Then she heard loud noises of shouting straight ahead.

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

"Yeah, I'm fine." a boy's voice shouted back. The girl ran faster following the voices and then she stopped to find a large clearing, where a boy, a duck and a dog fought a humungous black creature.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

`Well today's my lucky day,' she thought as she ran into the clearing as the black creature started to attack the boy, who was practically defenseless at this point. "C'mon you heartless bastard, you have a new target!" the girl shouted at the heartless' fist came towards her. The girl dodged it and the heartless chased her until she jumped in the air and slammed her Keyblade onto the Heartless' head and split it in half and it disappeared into a cloud of smoke.

“Wow, that was so cool.” the boy said as he got off of the ground and dusted himself off. The girl swung her Keyblade onto her shoulder and was about to walk off until the boy stopped her. “Hey thanks for helping us!” he said to her.

“Don't worry about that right now. I think it's time I told you guys about the prophecy.” Kari said as the others nodded and sat in different areas of the room, Leon just leaned against the wall, while Sora, Donald and Goofy sat in front of Kari, who was sitting in front of them, and Yuffie just sat next to Kari. “Alright. The prophecy was told like this; many worlds separated by magic were under siege by a group of villains and creatures called Heartless. Then when people thought that the worlds would be destroyed two people showed up holding blades in the shape of keys. The two fought together until the villains and the Heartless were destroyed. The kings or queens of each world declared them as the Keyblade Masters and after the two passed away the worlds were safe, but when war came again it was said that two new heroes would rise up and protect the worlds once again. And that's it.” Kari said as she looked at the others, who had confused looks except for Sora.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“So, you're saying that we're part of this prophecy?” Sora asked as he looked at Kari directly in the eyes.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

“Yeah, but there's another reason for me to go after these Heartless/” Kari said as she looked down and clenched her fist.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

“Why. What happened?” Yuffie asked as she looked at Kari gently.

“Well for me it's revenge because the Heartless came to my world and destroyed everything in their paths even my parents that's why.” Kari said standing up and about to head out the door, but Sora walked up to her and placed his hand on her shoulder.

If that's okay with you, Donald?” Sora said giving off a slight smile.

“In that case why don't you guys stay here for tonight, so you can start your adventure tomorrow,” Yuffie said while smiling at them and she grabbed Kari's arm and dragged her away from the others. “As for you, I think we should get you into some new clothes, you can borrow mine.” she said as she took Kari into her room as the others sweat dropped except for Leon.

“Is that so? Let's see... ah here it is!” Yuffie said as she tossed Kari a red spaghetti strap top and a pair of black Capri pants, along with a small white short sleeved jacket, and dark green fingerless gloves and also a small necklace that had a shape of a crown just like Sora's. “I had Cid's friends make that, I never wore it, so I guess its okay for you because you are a Keyblade Master and all.” Yuffie said as Kari looked at the necklace. After a while Kari got dressed in her new clothes and placed the necklace around her neck and walked up to Yuffie and the two of them left to the other room, where the boys were talking with each other. Yuffie cleared her throat to make sure that the boys knew they were there.

“So, uh... what do you boys think?” Kari asked shyly, while blushing a little and scratching the back of her neck as Sora, Goofy and Donald's mouths dropped open.

“I have to admit Yuffie you did really well.” Leon said to Yuffie as he watched Sora, Kari, Donald and Goofy talking with each other happily and Kari telling them stories about her travels until it got late and they fell asleep. Kari and Sora slept with their backs to each other and Goofy and Donald slept against the wall. As for Yuffie and Leon, they went to their rooms for the night.

“Here we are.” Kari said as they came to a stop at a small diner. “It's not much, but it's cheap.” she said as she walked and a small creature with a little red puffball on its antenna came up to her and started to speak in some sort of language that neither Sora or the others understood except for Kari. Then Kari kneeled down and started talking in the same language as it and she stood back up and the creature walked off. “C'mon it's reserved a table for us.” she said as they followed the little creature to a small table in the back.

“Oh, when you stay around in one place so much you start to understand the language a lot.” Kari answered as a few creatures came up holding plates of food and laid them on the table. Kari handed the creature up front some money and it took it and walked off with the others. The group ate their food and talked a little until they were done and they got up and left.

“Look in the sky.” she said as they all looked into the sky, which was starting to cloud up very quickly. “C'mon we need to get to the Second District!” Kari said as she ran off towards the gates to the Second District. The four of them continued running until they saw a whole hoard of Heartless in the square. “Damn it there's a lot of them which means that there's a leader somewhere.” Kari muttered as Sora and them ran off into the hoard of Heartless and started destroying them all easily. When all the Heartless disappeared a weird feeling came around them all.

“I need you to aim at his head it's the best spot. Goofy, I need you to cover for him.” Kari said as she jumped off and landed next to Sora and they both started to attack the feet at the same time.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Stand back you two!” Donald shouted as he raised his wand and lightning struck down at the armor and paralyzed it temporarily. Kari and Sora attacked the Heartless symbol and with a flash of light the creature completely fell to pieces.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“That was cool.” Kari said as she looked at the scraps of metal that lay before them.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Yeah it sure was.” Sora said as well looking at the scraps of metal also.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Kari began to laugh and she ran up to Sora and the others and hugged them tightly. “Thank you guys so much, this is the first time I've had someone help me not to mention become friends with and I'm really happy for that.” Kari said as she let them go.

“Hey that's what we're here for and don't forget we destroyed that Heartless thanks to you.” Sora said as he smiled and looked at Kari.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

“Yes, yes we did.” Kari muttered as she looked at them all.

“What do you guys say we head back to Leon and Yuffie's, so we can tell them about what happened,” Sora suggested as the others nodded and walked away while unknown to them someone was watching

over them.
