DISCLAIMER && A/N: I don't own Tokyo mew mew TT and also I try not to cuss while writing because I really don't but if you are against those things then sorry they just slip. And I owe it to my brain for coming up with Katin and Ally...^^

I ran from the house knowing I would be late if I didn't hurry for practice. My dad made me clean my room, do the dishes and vacuum the living room. I really didn't mind. Mom died eight years ago and she never did have anymore kids. So my dad was my only family. I glanced at my cell phone for the time. 3:25! Snappy Cake! I had to make a fifteen minute walk in five.

I ran faster and came across an ally way. I decided to take it. As soon as I rounded the corner I bumped into a girl with dark pink, almost red, hair.

You: I am so sorry!

Girl: No it was my fault.

I got up and offered my hand to her.

You: *laughing* This is what three times this week Ichigo? We have got to stop running into each other!

Ichigo laughed and walked around me.

You: See ya later and tell Ryou I will be there after practice ends.

Ichigo: Will do!

We both ran off and I pulled out my cell phone to check the time again; 3:28!

----FF-Community Center 6 minutes later----

You: Sensei I am super sorry I was late again!

Sensei: You start to come earlier from now on! Three o'clock is your new practice-

The sensei got cut off when a ball hit her head. A few girls giggled.

Sensei: Who hit it!

The girls pointed to the new girl.

Sensei: EVERYONE GIVE ME 15 LAPS AROUND THE GYM!!

No one dared to argue. We all quickly did our laps. I came in third after Ally and Katin. Both of them were gasping for air. I smiled, running was second nature to me, as I walked over to them.

You: Hiya!

Katin and Ally: Hi! *both smiled while still catching breath*

Ally: Why were you late this time?

You: I got stuck with a butt load of chores as usual. Then, literally, ran into a girl I work and go to school with.

Both of them nodded knowing my story was most likely true. Which it was.

Katin: *to Ally* Have you been to Cafe Mew Mew?

Ally: No but I heard they got really good cake and tea.

Katin: *to you* You work tonight?

You: Yeah....why?

Katin: You can get us some free things then?

You: Oh yeah! Loads of....WATER.

Katin sighed while Ally laughed. Sensei called practice back together.

---FF-Outside the Caf---

(Kisshu-Sooooo when do I come in)(Me-Well if u dont stop asking me u wont be in and ill replace you with the second hottest guy)(Kisshu-and who is that?)(Me-Ryou!)(You-NOOOOOOOO!)(Me-then tell Kishy here to stop asking)(You-Kisshy-Poo dont ask any more!! but for real when does he come in?)(Me- idk im just making it up from here.)

The three of us walked in to the,all pink...which I had finally gotten used to,cafe. I ushered them to a table.

You:Stay here for now okay? I need to go change.

Katin and Ally nodded.

I changed quickly then went to their table first.

You:okay so what do you want?

Ally:How about Strawberry Suprise!!

Katin:How odd? I wanted that too.

You: So strawberry suprise it is.
