1 - The Hogwarts Letter

Lily was a young 11 year old girl. She had a very strange Sister named Petunia. Petunia had no friends and was very mean to Lily, because for some reason, bad stuff would happen to Petunia whenever she was around Lily. One day Lily spotted an owl outside.

Lily: Mother, there is an owl outside

Lily's mom: Look! Its carrying something, a letter *grabs letter then reads it aloud*

Dear Miss Evans,

We are pleased to inform that you have been accepted at Hogwarts school of witchcraft and wizardry blah blah blah and then whatever else it says

Then petunia comes out

Peunia: Mother I have heard of this nonsense.

Lily's mom: You have heard of this school

Petunia: Well, not excatly but I have seen strange groups of people donig witch craft and it looks very foolish.

Lily's mom: But Petunia this is also a school of wizardry

Petunia: Well that is the same thing except for boys!

Lily's mom: I can't beleive my little Lily has been accepted to this school! I am so proud of you Lily dear.

Petunia: After you go to this school you are going to be a bigger freak than you already are!!!

Lily's mom: Petunia Evans I do not want to hear you calling your sister a freak ever again do you unerstand me!!

Petunia: FINE!!

Lily: Mother can I see the letter?

Lily's mother: Of course dear. *hands lily letter

Lily: Thanks

Lily's mother: We must celebrate this wonderful day My Lily, the day you got accepted to hogwarts. What would you like to do?

Lily: It's OK mother you don't have to take me anywhere, I'm fine really

Lily's mom: Whatever you say my Lily

2 - Hagrid and mudbloods

The sorting hat was singing its song thingie, and then Lily's name was finally called. And it put her in Gryffindor. She wasn't very pleased to find that she had been chosen to be in the same house with a boy that was getting on her nerves badly. He had very messy black hair, hazel eyes, a very thin face and glasses and we all know who he is.

She spotted a black haired boy across from her at the Slytherin table. He stood out because he looked very, very angry and was short. He looked at her and said:
What are you staring at mudblood

What did he mean. Did that mean that her blood was mud? Maybe she was a kind of witch that had special powers because her blood was mud. She couldn't help asking the boy next to her.

Lily: What's a mudblood?

The boy next to her: You don't know what a mudblood is?

Lily: Just tell me what it is!

The boy next to her: Well it is a person who is muggle born.

Lily: What does that mean

The boy next to her: Do you even know what a muggle is?

Lily: No.. tell me!

The boy next to her: A muggle is a person who ain't a wizard

Lily: Thanks, by the way I'm Lily what's your name

The boy next to her: Remus

Lily: Nice to meet you Remus

Then, the prefects came and did prefect stuff and they were at the Gryffindor common room. The prefect said the password and Lily along with all the other Gryffindors went. Lily wasn't pleased to find that Remus was hanging out with the boy who made her sick. He was also hanging out with two other boys. Lily went to go greet him. And he introduced her to his friends.

Remus: Lily, I would like you to meet

Boy who makes her sick: Hi i'm James, pleased to meet you, and this is Peter and Sirius

then James shook her hand very roughly, the way he talked made her want to kick him, his tone was like he thought he was all that which he that he was

Then she quikly walked away, she Remus tell him that she thought he was a stuck up jerk and that was why she ignored him, James told him that she hadn't ignored him at all, she was just speechless because of how handsome he was.

Lily went to go sit by the fireplace and study, when she saw a second year marching in. He was very large and had black hair. She could tell that he had just gotten in deep trouble by the look on his face the girl next to her told her that was hagrid, and he was often getting in trouble for keeping monsters in the dormitory.

Lily went up to the huge boy and introduced herself to him. And then he lifted up his extremely large hands and shook Lily's hand.

Hagrid: nice to meet ya Lily, if you ever need help in yur magical creatures class I'm the guy ter talk to

Lily: Um.. Thanks I guess

Hagrid: Don't mention it.

3 - Stupid Malfoy! (and Tonks)

It was time for all the peoples to go eat their food and stuff, Lily was very happy because she was extremely hungry, so she ran as fast as she could when she bumped into a boy with a huge smirk on his face, he had long hair and a big nose, he looked like he was a third year.

The boy: Watch it you mudblood.

Lily quickly pushed him to the ground, but he just started laughing, she was trying with all her might not to cry but she couldn't help it. The boy and his friends cried with laughter.

The boy: By the way, I'm Lucius, but you can call me master mudblood.

Then Lily roared with anger and walked away. Then she started to notice a girl was following her. She yelled at the girl to stop following her but quickly apologized.

The girl: Oh it's alright, that's just malfoy, he is a a very mean boy, don't let him get to you.

Lily: Thank you, I'm Lily.

The girl: Nice to meet you Lily I'm Tonks

Lily stared at the girls strange spikey hair, it was green

Lily:I like your hair

Tonks: Thank you

Lily couldn't help asking why it was green and Tonks told her she was a transforimagus or what ever it is called.
