## 2 - Dreaming of the Wild

Sitting in front of a window, a dark brown and black kitten looked out at the forest that was beyond her fence. On the floor below her were her friends, Pebble, Inky, Gina, Snowy, Tiger and Hawk " What are you doing up there Courtney, come down and play!" Said Inky as she looked up at her friend from the floor. " I don't want to, I want to get out of this dump!" Replied Courtney, looking back at Inky and the others. They all lived in a breeders house and were sold to be show cats to famous and wealthy people....Courtney didn't want that life. Courtney jumped down and turned to her friends " Don't you guys ever dream about being out in the wild, catching your own food, sleeping under the stars..." Courtney sighed, she dreamed of a life like that. " Are you crazy Courtney?! We have a warm home and people that care about us!" Spoke Tiger, who was the oldest of the group. " No I'm not, and if you guys don't I'm going to go live my dream!" Courtney replied as she ran to a crack in the door where someone left the door open. " Courtney, wait!" Cried her friends as they all ran after her and into the forest. " I can't believe you guys followed me, I thought you liked the simple life?" Courtney spoke as she turned to her friends who were catching their breathes. " We didn't want you to get hurt, and friends stick together!" Replied Gina. As the group kept going deeper into the forest a patrol of cats circled them " Well well, looks like we have some kittypets." Spoke a pale gray tom with darker flecks all over his pelt. " Oh no..." Whispered Courtney to herself, she had gone and gotten herself and her friends caught.

To be continued!!!! ^^

### 3 - Asked to join the clan

As the patrol took Courtney and her friends to their camp, a cat next to Courtney leaned over and whispered in her ear " Don't worry, are leader was once a kittypet like you." Courtney's eye went huge, she had heard about a kitten around her age who left and joined the wild cats many moons ago. As they arrived, a handsome ginger tom with green eyes greeted them " We found these kittypets in are terra. Firestar." Spoke the tom who was leading it. " Thank you Ashfur, I'll take it from here." Firestar replied as the patrol broke up except for the cat who whispered in Courtney's ear and a young white she-cat. " Now tell me, what are your names." Firestar spoke, looking at Courtney. " My name is Courtney, these are my friends Gina, Pebble, Tiger, Hawk, Snowy and Inky." She replied, fear in her voice. Firestar turned back to the two cats " Thornclaw, Whitenose, take them to hollow log till sundown." He spoke then walked towards his den. The friends walked behind Thornclaw and Whitenose to the Hollow log, where they all waited for what Firestar would do to them. When sundown came, Firestar came back to where the friends were " Would you all like to join ThunderClan?" He asked. " They all thought over it for awhile till all of them as one replied " Yes, we would love to!" Firestar had a look of joy on his face. " Alright, you will all become apprentice's sundown tomorrow." With that, Firestar left the friends to talk over about tomorrow.

## 4 - Becoming Apprentices

As sundown the next day came, Courtney and her friends were the first to gather around the greatrock. " We have seven kittypets who wish to join are clan." He spoke before turning to Pebble first " From this moment foreward till you get your warrior name you will be Rockpaw, your mentor will be Sandstorm." Rockpaw ran over and touched noses with her new mentor. Next was Inky " From this moment foreward till you get you warrior name you will be Moss paw, your mentor will be Whitenose." Moss paw ran up to her mentor and did the same as Rockpaw. Firestar then went down to the rest, Gina was now Fuzzypaw and her mentor is Brackenfur, Tiger is now Tigerpaw and her mentor is Ashfur, Snowy is now Icepaw and her mentor is Brambleclaw, Hawk is now Hawkpaw and his mentor is Brightheart and Courtney is now Wildpaw and her mentor is Thornclaw. " I can't beileave we're part of a clan now!" Purred Wildpaw that night in the apprentices den. " But remember, we have a lot to do if we want to become warriors!" Replied Icepaw as they all fell asleep.
