Lyrics

For all the times I dream, we are the way to be,
Look at us baby, look at us now.
For every day that I, should have you by my side,
We'll make it baby, look at us now.
For every night I pray, I know that you will stay,
Look at us baby, look at us now. Remembering the time, our love was not so
fine,
We made it baby, look at us now, baby look at us.

Everybody believed we would never be,
Look at us, up above we are so in love.
Every day, in your arms,
Baby can't go wrong.
We are strong, look at us now.

For all the times I dream, we are the way to be,
Look at us baby, look at us now.
For every day that I, should have you by my side,
We'll make it baby, look at us now.
For every night I pray, I know that you will stay,
Look at us baby, look at us now. Remembering the time, our love was not so
fine,
We made it baby, look at us now, baby look at us.

Baby look at us
Baby look at us
Baby look at us

Everybody believed we would never be,
Look at us, up above we are so in love.
Every day, in your arms,
Baby can't go wrong.
We are strong, look at us now.

For every night I dream,
Together you and me,
Look at us baby, look at us now.
And like a flower blooms,
The glowing of the moon,
We'll make it baby, look at us now.
For everyone who believed,
That we could never be,
Look at us baby, look at now.
Now all the hurt is gone, I knew it all along, baby look at us.
Baby look at us
Baby look at us
Baby look at us
Baby look at us
For every night I dream
Baby look at us
For every night I dream
Baby look at us
For every night I dream
Baby look at us
For every night I dream, dream, dream...
For every night I dream,
The more I do believe,
Look at us baby, look at us now.
And there up in the sky,
Our love will meet tonight,
We'll make it baby, look at us now.
And all you ever do,
I know you will be true,
Look at us baby, look at us now.
The stories of a guy,
Is ones who'll never die,
We'll make it baby, look at us now, baby look at us.

Hope you like it! ^^ Here's a video with the song! <http://www.youtube.com/watch?v=mDIYev8U7O8>
