1 - A New Day

"Phweet!", the kettle whistled. Raven took it off the stove and prepared her usual morning tea. The dark girl could hear Cyborg and Beast Boy arguing over the remote control, and Robin talking to Starfire over the noise. A typical day in the Teen Titans Tower. Raven allowed the corner of her mouth to rise and levitated to a spot where it was calm. For 5 seconds at least... "I'M GOING TO GET YOU BEAST BOY, IF IT'S THE LAST THING I DO!!", hollered Cyborg at Beast Boy, who had just stolen the remote b changing into a thieving raccoon. Raven sighed and went to the roof of the tower to meditate as she usually did. As she walked up the stairs she heard a slight rustle and turned swiftly. But nothing was there. Raven looked around one more time, shrugged and started up the stairs. If she had searched a particular, dark corner she might have seen a pair of emotionless, glowing red eyes.... "Azarath, Metrion, Zinthos. Azarath, Metrion, Zinthos.", chanted Raven. Suddenly she was overpowered by the smell of decay and.....BB's shoes after a night in the rain. A slimy hand covered her mouth to stifle her scream, while another clamped her arms to her sides. Close to losing consciousness Raven saw a huge, pink blob, with a few body parts made of rock and electricity. "Odd...it looks familiar...", thought Raven. "Oh no...Ternion.", Raven thought again. Weakly, she opened her communicator for the beast had let her go for a moment, and said, "Ternion....Help....", then slipped into unconsciousness dropping the communicator. Raven's teammate's frantic voices could be heard calling her name but they fell on deaf ears. Or in Ternion's case no visible ears at all. Then the super villain created by mixing Plasmus, Overload, and Cinderblock carried the unconscious, hood less Raven away.....

2 - Quickie Chapter Cliffhanger

When Raven came to, she was in a dim, large, empty room. Raven tried to move but found she was tied up. She tried to break the ropes with her dark powers but she was too weak to do so. A groaning sound suddenly alerted her and Raven looked around for the source. There was another tied figure near her. The all too familiar figure glanced at her and whispered weakly, "Raven.....?...."

3 - The Finding

"Aqualad?!?" exclaimed Raven. "Nice to see you too." replied the aquatic teen dryly. "But how?" "Ternion is surprisingly quick, so while I was going back to the tower he got me. What about you?", asked Aqualad. "I was just going to the roof of the Tower to meditate." stated Raven. Aqualad nodded and suddenly found a small tear in his ropes. He made a mighty effort to break them and succeeded. He stretched his muscular body to get it back to its usual liveness then walked over to Raven and untied her. Raven stood then stumbled. She saw the floor racing to intercept her then a pair of strong arms steadied her and supported her. "Thanks." said Raven as she began to walk by herself. "No problem." replied Aqualad polite as always. There was a sudden rumbling then the wall caved in! They both stumbled and just managed to catch themselves before they fell to the floor. There was a bright flash of pink, then Aqualad suddenly moaned and clutched his head. He groaned and finally blacked out while Raven hurried to his fallen figure. The culprits revealed themselves. For the caving in and Aqualad's unconscious state. It was.....
