1 - How We Meet

Koto Kanno walked into the great hall of Hogwarts and looked around at the vast tables full of students of all ages. She noticed that many of them were staring at her snow white hair and shrank back. She stayed a moment longer to see if they would just lose interest then decided she wasn't very hungry. She walked out and turned her feet to the direction of the vast lake outside.

She stopped at the edge of the water and looked out over the smooth surface. She sighed quietly and began to sink into her thoughts. "Why are you out here?" A boy's voice asked. Koto jumped and turned to see a black haired boy leaning against a tree with his eyes closed. "What?" She stopped when he opened a pair of blood red eyes and looked straight at her. She shivered suddenly but continued to watch him. "Girls like you shouldn't come out here alone with people like Hagrid around...there's no telling what's in that lake..." He sounded more amused than as if he was giving true advice. "I'm here because I'm tired of people looking at me like I'm a freak?" She said as she looked away. "You get used to it?" He said as he stood straight and walked over to her. He too looked out over the clear lake. "Those people don't know beauty when they see it." She blinked twice then looked at him out of the corner of her eyes. She realized he was very handsome and blushed slightly, "Thank you?" She sat down on the ground and continued to admire the lake, the boy looked down at her with his eye brows raised. She took a deep breath and said, "Beauty is this lake, and nature." The boy looked back to the lake and murmured, "and you. You just need to be more confident, that's what makes a person attractive." She blushed again, as she looked down she replied, "I don't want to be confident, I don't even want to be here?"

"Why?"

"I just want to be back home with Rini and Mika?"

"...I don't want to go home...I never want to go home?"

"I want to because...well it was complicated, but I was used to it?"

The boy uncrossed his arms and looked away. "You think your life is complicated!? You don't live with a fu---?"

Professor Snape appeared behind the boy suddenly, "Young man, why are you out here at this hour, and you too young lady, go inside now." Koto heard the boy growl under his breath, "Uncle?" He turned to look at her, "By the way my name is Zazrea." Zazrea held out his hand and she took it. He pulled her up with too much force and they bumped into each other.

"Oh! sorry?" Snape glared at them both. "Now!"

They turned and began to walk back to Hogwarts, both blushing slightly from their little bump. "What?" Koto asked. He blinked, "That's Japanese?"

"My foster parents renamed me?"

"Foster...?" He was quiet a moment, "Oh...?"

She smiled at him, "I love my name?"

"...I wouldn't let Ingrid rename me...I stuck with Zazrea.... even though she tried to name me Charles...?"

Koto wrinkled her nose, "ew. That's such a normal name?"

"...That's what I said...?"

She smiled at him again, "I like Zazrea?"

"Thank you?"

â€œI donâ€™t remember my real parents...but Ingrid and Uncle raised meâ€?

Kotoâ€™s expression changed suddenly, â€œseeâ€? there was a long pause and she added, â€œI remember mineâ€? They were quiet for the rest of the walk. When they reached the doors, Snape snapped at Zazrea, â€œOff to your quarters young man.â€? The he flashed a glare at Koto and pushed Zazrea along. â€œDonâ€™t push me!â€? Zazrea moved out of the way of Snape and hit his hand. Snape glared at him and mumbled under his breath, â€œIf you and I werenâ€™t relatedâ€? Then he stalked off defeatedly.

Koto looked at Zazrea wide eyed for a moment, â€œHe wonâ€™t hurt meâ€?he canâ€™tâ€? his eyes darkened slightly, â€œAfter last summerâ€?he won't ever be able to again.... Iâ€™ll see you later Kotoâ€? He took her hand for a moment, and then walked off. â€œByeâ€? she whispered after him, blushing.

2 - Snake Fight

Zazrea entered the Slytherin dormitory to find Draco Malfoy waiting for him on one of the many black leather sofas. Draco stood and walked over to stand directly in front of Zazrea. "So!" Draco said, in an attempt to sound innocently curious. "Why were you with her?" the innocence suddenly gone with his question. Zazrea shoved passed him mumbling, "Why do you need to know?" "How dare you question me!" Draco hissed. Zazrea stopped and turned to glare at him. He held Draco's gaze for a moment then Draco looked away trying unsuccessfully to hide his fear. "She's a freak." He said, not looking at Zazrea. "I won't have anyone in Slytherin hanging out with her." Zazrea growled a moment then punched Draco in the chest, forcing him back against the wall. Once again Zazrea held Draco's gaze. "Don't call her that! Don't you DARE call her that ever again!" Zazrea's pupils to mere dots and the growl still held in his throat. Draco slid down the wall still watching Zazrea, terrified. The dormitory stared not continued to long after Zazrea had retreated into a study and closed the door.

3 - We Have A Unicorn...

Koto watched Snape and Zazrea disappear toward the dungeon, then she turned and walked back outside. She walked to Hagird's hut humming lightly to herself. When she reached the hut called, "Hey! Hagrid, where is Professor Firenze?" The hut door opened and Hagrid walked out. "Oh, `ello there Koto. He should be here soon. Come on inside and have a cup of tea." With that he walked back inside and put the kettle. Koto waited a moment and then walked inside and sat at the large table. "So Hagrid, how is Firenze going to teach me?" Hagrid thought a moment and then said, "Well Koto, I don't know. He has said that being a shape shifter requires a tight hold on ones mental self. Chances are you are going to be doing a lot of concentrating and med—what's that word again?" Koto thought a moment, "Meditation?"

"Ya. That's the one, meditation." Koto nodded. Hagrid then brought the kettle off the fire and poured the hot water into the teapot. A sudden voice startled Koto into almost dropping the teacups she was getting from the cabinet. "Hagrid, my friend, is Koto in there with you?"

"Yes! I'm just getting her some tea, to keep her from catching a chill ya know. Would you like use to bring the tea outside?" Hagrid called outside to Firenze. "Yes, that way we can discuss what I will be teaching her." Hagrid walked outside while Koto followed him carrying the tea on a tray. She set the tea tray on a stump and poured the tea. They all took a cup for themselves and settled to begin the lesson. "Now, before the lessons can truly begin, we need to figure out what your main form is..." Firenze said then taking a sip of tea.

"LEAVE ME THE HECK ALONE!" Koto, Firenze, and Hagrid turned to see Zazrea, trailed by a group of girls. Suddenly he turned and ran into the dark forest. "You ladies there, get on back into the castle now. A lesson is in session here, go on." Hagrid yelled obviously annoyed. Koto looked for Zazrea in the forest and when she didn't see him she sighed. She looked back at Firenze and asked, "What do you mean my main form?"

"Every shape shifter has a main form, all we have to do is look for any peculiar birthmark and it will tell me what you are. Take off your jacket and let me see your arms, that's the most common place to find one." Koto stood and shed her jacket and rolled up the sleeves on her shirt. Firenze began to examine Koto's arms and Zazrea poked his head out of the bushes. "HA—" he started to yell but Hagrid hushed him with a hand to his own mouth. Zazrea watched quietly as Firenze examined Koto's shoulder, "The only birthmark that I know of is on my forehead." Firenze stopped abruptly and then pulled back her bangs, "Oh my...Hagrid...go tell Dumbledore immediately...we have a unicorn here..."
