Chapter 1 - Poem	2
Chapter 3 - Another Promise	3

1 - Poem

My Promise

My friends I know naught what to say,
For I have to much;to much to say.
I would like you all to know,
That I will always be there for you all.
When you fall,
I will catch you.
When you cry,
I will be there for you.
When you need to talk,
I will listen.
When you are lost,
I will find you.
When you need help with anything,
Fear not and ask me.
For this is my promise,
My promise to you all,
I will always be there for you,
Until the very end of all.

3 - Another Promise

I don't really know,
What I should do anymore.
Life is too hard sometimes,
To figure all of it out,
Everyday is a new challenge,
Always something harder than yesterday.
But now I know something,
Something I didn't truly know before.
My friends are always here for me,
Anytime I need them,
They will be there.
Whenever I truly need them,
They will be there, forever if need be.
So as another promise,
A promise to them all,
I will smile again today,
And everyday again.
