Beast Boy: Liar!

Terra: (from o.c.) Beast Boy...it's the truth.

(Cut to the master and apprentice. The one unbroken mirror has slid away, and they are standing in its place. Beast Boy takes a fumbling step toward them, his whole face going slack and his eyes staring in disbelief.)

Beast Boy: Terra...why?

Slade: Because you could never give her what she needs.

-

Beast Boy: (from o.c.) In case you need me. You can call me anytime. (She makes up her mind.)

Terra: I don't need it. (Pull back to frame both.)

Beast Boy: But...

Terra: (walking away) Time's up.

Beast Boy: Terra...

-

Beast Boy: Oh, Raven, come on! Why can't you just have fun like normal people?

Beast Boy: (from outside) Why are you always locked in your dark room, reading your nasty old books? Why do you have to be so creepy?

-

BB: I hurt Raven, and was Hurt by Terra...But then when i'm about to give up...i remember the good times when I made them Happy...

More Memories

Beast Boy: Went a little crazy with the glue gun.

Terra: Beast Boy...it's...I don't know what to say.

-

Terra: You were the best friend I ever had

-

Beast Boy: (from outside) Raven? (Cut to him at the door.) It's me. Look. I'm sorry. (She crosses the room.)

Raven: For what? You're not the one who-

Beast Boy: No. I'm sorry that...he broke your heart.

Raven: I know it was all a lie. But he was the only person who ever made me feel like I wasn't...creepy. And don't try to tell me I'm not.

Beast Boy: Okay. Fine. You're way creepy. But that doesn't mean you have to stay locked in your room. (Cut to her; he is heard from outside.) You think you're alone, Raven, but you're not.

-

Starfire: For confiding in us, we are most humbled. (Robin and Cyborg join the pair.)

Cyborg: I only have one question. How do we stop him?

Raven: We don't. (Beast Boy approaches, smiling.)

Beast Boy: But that doesn't mean we still can't try.

Rob: Beastboy!come quick!!!

To be continued.....

6 - Anger I can't control

BeastBoy's POV:

I ran down the hall to the medical bay and gasped. The titans were knocked out, and a figure leant over Raven. To my horror, that figure...was terra. Now seeing her more clearly I saw she was holding a knife. I felt anger raise inside me. I felt my self lose control...I felt my self become the Beast.

Robin's POV:

I awoke still kinda dazed after being knocke out with that gas. I looked around and saw star and cy still knocked out. Then I rememberd...TERRA! I looked up and saw, the beast almost ripping her to shreads. "BEASTBOY!" I cried out, But he didn't seem to her, or care That i was talking to him. I looked at Raven, still asleep.....But a knife lay by her side. Thank god it didn't hit her.

Starfires POV:

I awoke after hearing robin shout "BEASTBOY!" I looked up and saw the horror the the Beast. I tried to get up, but My legs refused to work. I glanced at robin, who was staring at the knife next to Raven. I tugged on his cape with all the energy I had. But when he turned, I fainted again.

BeastBoy's POV:

I herd A voice shout "Beastboy!" But I couldn't stop. I felt that I HAD to kill terra. Now or Never. I got her cornerd, I was about to strike, when i looked at her face. A face with fear. Somhow, It seemed famillier. I stoped. She glanced at me, than hit me hard. (and when i said hard...I ment HARD!) I lost consicness for a brief minite then readied myself. I was about to attack when a faint voice said "Beastboy don't...." ooo cliffys....Bye the way...I do hate Terra, don't get the wrong idea.

7 - My Raven

BeastBoy's POV

"BeastBoy stop....." I turn around to see Raven sitting up and weakly staring at me. 'Raven' I think. "BeastBoy, Please stop. I don't like her either but, Homicide is not the answer. Please Don't do something you'll regret later....." Those were her last words before she fell back into a coma. 'Please don't do something you'll regret later' She said those words, like she had done it before, what could she possibly regret? I turn to Terra, She's scared. Good. I want her to know if she hurts Raven... My Raven, She will never see day again. I slowly transform back into myself. Star comes to comfort me, But I push her away. She goes over to Terra and roughly escorts her out of the tower. I look at Raven, Then I leave to get new cloths.

Srry it's short!
