Is That a Falling Star???

Yes....i saw it..it was there.... big and bright.... it was falling..i saw it fall..into my hand's..and in my heart.....

It was falling...falling along the milkyWay..but always there...so I can see her....

It was so beautiful.... And calming..don't you think so..?? my Aishooteru??? What?? You are asleep?? It can't be....who can...you..can't ...I mean..not... not now...the romantic scene..and...aw..forget it..its no use..you always do that... fall asleep I mean...

I look at you...with your eyes shut..i can see what you feel... im just like you.... You know???

Calm..charming..... and lazy I admit it... so what?? Who isn't??? Right?? I am also friendly you know..??
aha... just like you...but you..you are asleep..you.....you..ah..

I lay back on the grass... still watching the stars... and there she is again... falling... falling... falling aahh!!!

I feel, like ive been sealed to the ground..then I look..i look at the cause of this.. and I see you..you..your so...bright... and..charming as to say....what are you doing???

You start kissing me..and I feel relaxed...I love the way you do that... you know

But..you were sleeping?? Didn't you??? Or..did you..oh you...I just want to kill you....you little...little..ah..whats that word im looking for?? Childish??? Yes indeed...indeed you are...

I take of your orange earphones and put them near you...our hand's are touching now..they are fighting for dominance...and at last..you had won...

Im under you..and you above me...what are you waiting for????? Make me your's.....

...just..until.....the last...falling star...has.....finally...fallen...in your heart.....

love you Yoh Asakura.....
