1 - away with boredom

this is my first yugi-oh-fanfiction please be gentle and kistunelover25 please don't kill me, i have some kind of weird habit of using real people in my work meh :P

"hides behind a couch in case" well a girl Emily (kitsunlover25) works at the Gentle Breeze Old Folks Home and is bored and then Babs (me) the Fairy comes to relieve that boredom by sending her into the Yugi-Oh series. (i swear i think that last migraine attack fried my brains...don't ask) I don't do anything including Emily :P i think she owns herself and likes it that way.

at the Gentle Breeze Old Folks Home Emily pushes the card with drinks and coffee for the people a bit lost in thoughts "man i am bored, i wish something interesting would happen at least it's almost lunch time. During lunchtime Emily sits all alone eating her sandwich. when a black bubble floats inside through the window and pops before her. she looks at the girl standing before wearing a loose black shirt and pants "hello Emily, i am your Fairy godmother" Emily looks strange "isn't supposed to be Fairy godmother?" The Fairy frowns "i am not that old" Emily looks to the clothing "aren't you supposed to be in a pink shiny dress or something" The Fairy looks annoyed "pink doesn't look good on me and frilly dresses aren't my style" pulls up a brow. The Fairy sighs "fine i am not really supposed to be dressed like this but those dresses are so lame" Emily nods so what are you here for?" makes a courtesy "i am here to fulfill your wish" falls to the floor "ow" Emily blinks "so you gonna make my life more exciting?" The Fairy nods "i will send you to the Yugi-Oh series for a while" she waves her wand with the coffin on it and Emily poofs in a cloud of dark smoke.

She falls on a table and Timmy looks to you strangely "who are you?" Emily frowns "this isn't the Yugi-Oh show" Cosmo and Wanda appear "no this is the fairly odd parents show" The Fairy appears again "hey Wanda how is it going" Wanda smiles "very well Babs, i see you got your license" the other Fairy nods "sorry kid my mistake" she poofs again and Emily reappears on Seto Kaiba's desk "who are you?!" Emily pales "i am Emily" Babs' voice comes from above "sorry Emily i still gotta work on my aiming" Emily smiles sheepishly Seto mutters "never mind, i know that Fairy she mostly sends people here" he looks to her "The last one fell in my tub when i was taking a bath" Emily giggles.

Seto grumbled "be a women and show yourself faery!"again the black bubble comes through the ceiling but a few feet above the ground seto grabs a pencil and pops the bubble causing the faery to fall harshly down "ow"she glared at seto why grinned "serves you right" stands wiping the filth of her leather pants "stop complaining most people wanna go here so i bring them here" seto just wants to say something when a men suddenly crashes though the window and beats him into the walls "give up your evil plan lex luthor!" both emily and babs get a sweat drop near there heads. emily looks to the male "that isent lex superman that seto kaiba" superman frowns "this isent metropolis"both babs and emily shake there heads while seto rubs his head superman groans "thats last time i take lois her direction seriously. 3 - back to the oldies

* is dusting behind the couch* "welcome back lets see were were we"scratches her head of a minute "oh yea emily whas send to seto and he got angry with the fighting and superman came and stuf"snickers "well emily is send for to yugi this time wil he be happy to see the faery?" sits

Poofs with emily in yugi's kitchen where yugi is having breakfast. As soon as he sees the the faery he runs of screaming "grandpa! she is back please make her go away!!"* emily has a large sweatdrop near her head* you really know how to make friends don't you. babs frowns "is he stil sore over that guy that i pooft in his bed" looks to her "whats so bad about that?" babs looks to emily "his friends came in and he whas sleeping in nothing but his underwear.." emily pales "thats to much information.."pulls emily back as yugi's grandfather shows up with a broom in his hand.

he looks angry "ksst!"he swipes a few times. Babs dasent seem fazed and waves her wand wanting the broomstick to poof in something else but instead she poofs another cow above yugi's grandfatehrs head and it falls down "owwww" *emily has a large sweatdrop near her head* "is it me? or is the cow joke getting old?" yugi comes into the kitchen "grandpa!"he grabs the cow her tail to pull her of though al the cow das is mooing. Emily looks to the scene before her "how did you get your license anyway?" Babs shrugs "they got tired of seeing me every exam so they gave me the license"* emily,yugi and grandfather have a big sweatdrop near there heads" emily pulls up a brow "thats..explains a lot.." Babs waves her wand and the cow turns into a salami and yugi falls to the floor "ow" he looks to her angry.

Babs just looks back at the angry yugi "can't you poof her somewhere else?" he helps his grandfather up. emily looks to him "we already have been with seto but he knew her to so we had to leave" yugi sighs "i am gonna ask seto for a feaery prove barrier" puts her hand to her chest with a faked shocked face "that hurts" she smiles. emily puls her shirt "you can poof me back to the old folkes home" looks to emily "are ya sure" emily nods. so bar poofs again with emily. She repoofs in the house of ozzy osbourne when he walks into the room "sharon! that fracking feaery is fracking back!"bar pales "uhm bye" she poofs again with emily. suddenly everything go's black for emily.

She feels someone shaking her "emily wake up are you okey?" emily opens her eye's groaning "what happend"the nurse looks worried 'i think you slipped and hit your head" emily sighs "what a strange dream" she sits up as the nurse stands "i am gonna get some water for you" she walks away and emily sighs putting her hands behind her and feels something, she partly turns around and sees the wand with the coffin "could it be..". she takes the wand and waves with it a camel appears above the nurse and falls on top of her...
