**Chapter 1 - new girls**

**2**

## 1 - new girls

On a cool spring day, the xiaolin monks were outside training when Master Fung called them in. "Master, I must perfect my leopard strike!" Omi said. Master Fung reached out his hand to stop him. "Omi, this is important." Fung said. "We have new xiaolin dragons, the dragons of lightning and animals." Fung said.

They stepped into a room with 2 young girls. One had long brownish-blond hair. She was wearing a white tank top with khaki capris. The other had long blond hair. She was wearing an orange tank top with blue jeans. They were both wearing hair ribbons. The girl with brown hair had a yellow hair ribbon. The other girl had an orange hair ribbon. The blond haired girl had blue eyes and the brown haired girl had green eyes.

"Hi, I'm May." the girl with brown hair said. She looked at Raimundo, and smiled. "I'm Ruby." the girl with blond hair said. "Are you guys twins?" Clay asked. "No, we're best friends." Ruby said.

As they all left the room, May and Ruby took out their hair ribbons. They walked down the hall, and Rai smiled. May was talking, and suddenly slipped and fell. Raimundo started laughing. May looked confused at first, but then said, "You greased the floor, didn't you?" "Yeah, how did you know?" Rai asked. "When you have 3 older brothers, you know." May said.

After the rest of their training, the monks were talking. Kimiko started to flirt with Rai. That made May pretty sad. She thought Raimundo was actually pretty cute, but apparently, he had a girlfriend. Suddenly, Clay asked, "Do you two have boyfriends?" May and Ruby were about to answer, when Kimiko blurted out, "Of course they don't, they're way less pretty than me." Now they were mad. May growled, then covered her mouth. She hated it when she did that. Ruby made a disgusted face at Kimiko.

Later, Raimundo was checking on May. She was playing the guitar, singing the "Far Away" by Nickelback...

"This time, this place, misused, mistakes, too long, too late, who was I to make you wait. Just one chance, Just one breath, just in case there's just one left. Cause you know, you know, you know... I love you. I loved you all along. I miss you. Been far away for far too long. I keep dreamin' and you'll be with me and you'll never go. Stop breathin' and if I don't see you anymore..."

Rai said, "Hi, May." That scared May and she fell backwards. "Oh, hi Rai!" May replied. Raimundo said, "Come on, I want to show you and Ruby something." They went and got Ruby, then went to see what Raimundo wanted to show them. It was pretty dark out, but the stars lit everything up. They all laid down and looked at the stars. "So, what do you want to show us?" Ruby asked. "The stars, it's a beautiful night out. Why waste it?" Rai asked. They all talked a little and eventually all fell asleep.
