Chapter 1 - Cookies

2

1 - Cookies

"Hey dad, what are you doing?"

Gohan asked his father. "Baking cookies." Goku replied. "Dad, since when do you cook?" Gohan asked, confused. "Since your mother went on vacation."

Flashback

"I'm sick of you boys making me do all the work! I'm going on a vacation until you have learned your lessons!"

End Flashback

"Oh, ok." Gohan said as he walked out of the kitchen. "Hello Brother!" Goten said happily as his brother walked by.

"Hey Goten. You might wanna step outside." Gohan replied. "Why?" Goten asked his older brother. "Just trust me."

As the two stood by the street, cookie dough began spewing out the windows.

"Hey Gohan...Whoa! Let me guess, your dad tried to cook?" It was Gohan's new friend, May.

"Hi May. Maybe we should go check on my dad."

Gohan said. When they walked inside, Goku was holding piles of cookie dough, crying. "I just wanted to make a cookie!" He sobbed. "It's ok dad, you tried."

Gohan said, trying to calm down his dad "He was gonna be my buddy!" Goku yelled, crying more. His eyes were like sprinklers.

May brushed her hair out of her face. "Maybe I can make you a cookie." May said. "Really! Golly, Thanks!" Goku said.

At May's house

"O.k, the cookie is made, now all we have to do is bake it." May said to Gohan. The cookie didn't turn out like a cookie at all. It looked exactly like Jesse McCartney's head. It was singing too. "Ahh, I hate Jesse McCartney!" May screamed. "Oh, my cookie!" Goku yelled. He ran, grabbed it, and bit a huge chunk of Jesse McCartney's head. "Hey, not cool man." the head said. It exploded into a huge chocolate puff. "Oh, my cookie dissappeared. Oh, well. It tasted bad anyway."

That's the end of the 1st chapter. If you've got a suggestion for chapter 2, please say so in a comment. Thanks for reading!! ;3
