Chapter 1 - Alone

2

1 - Alone

Its so cold and i am lonely
all the emptiness there buys me
but the death of my mind
death of my mind
i never know what to say

Chorus

All my friends lie
im gonna die
it makes me cry
because everyone lies
and now the truth invades

as the silence binds me
i have no idea what to do
i just sit in this room
and notice the darkness
i realize knobody cares

chorus

im alone, im alone
im falling
down
Im alone, im alone
im falling
down

chorus
