1 - My Story

My Story

"Please do not take her away from me!" those are the last words I hear in my head. I wanted to stay with the girl of my dreams but my best friend took her from me. Yes I still love her and I still talk to both of them. But I just can't seem to find the right girl for me. Do not get me wrong I might go back out with her but till the time comes I will forever feel sick with out her. My name is Aaron and this is my story. I walk in to a gigantic building but the thing is that it was not even touching the ground. I pulled out my broom but it was smashed. The most beautiful girl walks up to me and ask, "How are we believed to get up there?" I said with a frown " aware brooms." "Well you coming?" she said to me. After felling a little down I explained to her every thing about my broom.

2 - The Pity

The Pity

She flew up to the school and thrown down her broom. I flew up and hit her in the face with it. "I don't need your help!" I said furiously. We argued for at least two hours. Feather more, she dashed away I guess crying. I was so mad. I found my room and put all my stuff in the footlocker. Latter my group and I went to the market in search of three items but only got one that one was a serpent. I had to spend the rest on a new broom.
